

## New student council elected

On September 30, the new Student Council of Stirling Senior Public School was voted into office by the student body.

On the basis of campaign speeches, given on Monday and Tuesday of that week, the students elected as president, Robbie DeJong, as vice-president, Kevin Solmes, as secretary, Glen Dettlor, and as treasurer, Doug Bastedo. Each class of students from Grade Five to Grade Eight sends one representative to the meetings of the student council. The student council is responsible for such activities as school dances, winter carnivals and other forms of entertainment as well as other worthwhile projects they decide to undertake.

## Finds old receipt

Gordon W. Bailey, Stirling, while sorting through some old papers, found a receipt for a \$2.00 subscription paid to the Stirling News-Argus on Jan. 22, 1906. The 64 year old receipt was made out to Mr. Bailey's father, T. A. Bailey for \$2.00 which covered the subscription to the News-Argus from Jan. 20, 1907. The receipt was signed by James Currie, publisher.

## Elected chairman

Ray Poste of Stirling Bowl-O-Drome was elected chairman of Zone K of the Bowling Proprietors' Association of Ontario at their recent meeting in Belleville. This week he represented them at the fall board meeting at headquarters in the Canadiana Motor Hotel, Toronto. Zone K includes bowling houses in Tweed, Kingston, Belleville, Trenton, Brighton, Campbellford, Deseronto and Stirling.

## IODE Chapter holds meeting

The September meeting of the Hon. J. R. Cooke Chapter, I.O.D.E. was held at the home of Mrs. Robert Philp on Thursday evening, September 24.

Mrs. Robert Hough, regent presided.

Mrs. Carman Fitchett, convener for Services at Home and Abroad, reported having sent two boxes of knitted and sewn clothing to headquarters.

Three applications for membership were accepted into the chapter.

An invitation was received from Argyle Chapter, Belleville, to the Annual District Dinner on October 27 at the Shrine Club.

Plans were made for a Dessert, Bridge and Euchre Party on October 20th at the Oddfellows Hall.

The lunch committee, Mrs. Robert Philp and Mrs. Carman Fitchett served lunch and a social half hour was enjoyed.

## Hydro rate hike to hit rural areas

An increase in rates for nearly 600,000 rural customers was announced last week by Ontario Hydro. Effective on bills payable, 1971, the rate change will raise revenue from Hydro's rural customers by 9 per cent.

It is the second general rate increase in 17 years. The last one was effective October, 1968. Specific percentage rate increases to customers vary according to service classification. Details are being mailed directly to all customers. Hydro Chairman George Gathercole said that the increase

## PLANS PROGRESSING FOR MORE USE OF SCHOOLS

ALL MALE ADMINISTRATION

The Stirling Senior School held student council elections last week. This year's council is composed of four young gentlemen who are

(from left) Douglas Bastedo, treasurer; Robert DeJong, president; Glen Dettlor, secretary; and Kevin Solmes, vice-president. The boys

are well acquainted for they are all members of the Stirling Legion Pee Wee hockey team and the Stirling Legion Pee Wee softball team.

## Spring Brook Midget Bs eliminated by Beamsville

Springbrook Midget B travelled to Beamsville on Saturday for the second game of the OASA southern Ontario finals.

Springbrook was defeated by a score of 1-0. This set the stage for a third and deciding game which was played in Oshawa on Monday night. This turned out to be that it wasn't Springbrook's night as they lost by a score of 11-5.

The boys were guilty of a few costly errors beside some timely hits by the Beamsville batters. So this closes out another year for OASA competition.

## NEXT EDITION

Due to the Thanksgiving holiday on Monday, Oct. 12, next week's News-Argus will be published on Thursday afternoon. News correspondents and advertisers are asked to have their copy in as early as possible.

## Fire drill

As part of the program for Fire Prevention Week, members of the Stirling fire department visited the schools in Stirling on Tuesday morning for inspections and to conduct fire drills.

At the junior school, the building was cleared within 58 seconds; at the senior school, it took only 55 seconds.

Fire Chief Graham Mouck said he was pleased with the speed at which the buildings were cleared and also commended the teachers and pupils on their good order.

## Car wash turned down

At a special meeting of Stirling village council on September 28, an application for a permit to construct a two-bay car wash on North Street was turned down because the proposed project did not conform to the provisions of the zoning bylaw.

In other business, a request from Grace Chapel for a cultiver also was denied.

A request was received from the Ontario Water Resources Commission to have the fill which had been dumped below the pumping station at Rodgers Drive removed. The clerk, W. L. Pollock, was instructed to have this matter taken care of.

Council authorized the purchase of two "No Parking" signs to be placed in front of the arena.

The property committee was authorized to remove the old hot water tank from the Community Hall kitchen.

A considerable amount of time was spent discussing and replying to a questionnaire on government reform within the County of Hastings, asked for by Carl E. Bateman, clerk administrator of the county. Questions were answered and the clerk was instructed to have a copy typed and forwarded to Mr. Bateman.

Team standings were: Selects 10 pts., B. P.'s 8 pts., Idlers 7 pts. and Westenders 3 pts.

Katie Wilhelm, with a game of 275, had the ladies high single last week in the Thursday Night Mixed Bowling League. She also had the high triple of 672. The ladies high average is held by Daisy Corbett with a 180.

The men's high single was captured by Ernie Glover with a 248. The high triple was held by Jim Edgar with a 591. Gordon Barrie, with 202, holds the men's high average.

Team standings last week are B.P.'s 13, Idlers 13, Selects 12 and Westenders 4.

helped to take in gate receipts at our home games.

We would also like to mention that there are a few tickets left on the hundred dollar draw which is to support the Midget ball club. These are available from members of the ball club. So again from the Midget ball club we would like to thank everyone for their support.

## Thursday night mixed league

On Sept. 24 in the Thursday Night Mixed Bowling League Daisy Corbett had the ladies high single of 243 the high triple of 608 and the high average of 188. Gordon Barrie had the men's high single of 250, the high triple of 628 and the high average of 209.

Team standings were: Selects 10 pts., B. P.'s 8 pts., Idlers 7 pts. and Westenders 3 pts.

Katie Wilhelm, with a game of 275, had the ladies high single last week in the Thursday Night Mixed Bowling League. She also had the high triple of 672. The ladies high average is held by Daisy Corbett with a 180.

The men's high single was captured by Ernie Glover with a 248. The high triple was held by Jim Edgar with a 591. Gordon Barrie, with 202, holds the men's high average.

Team standings last week are B.P.'s 13, Idlers 13, Selects 12 and Westenders 4.

Plans are advancing toward a full use of Stirling School facilities by the citizens served in the Stirling School area.

Residents of Rawdon, Sidney, West Huntington and the Village of Stirling met in the library of the Stirling Junior Public School on Monday, October 5 to discuss how the educational facilities could best be used to assist in community activities, both recreational and instructional.

The next meeting is scheduled for Tuesday, October 13. There is also a tentative date near the end of October, for a demonstration night of the various interests at the school buildings.

## ASK THE PASTOR

Dear Pastor:

Now that the excitement of the Apollo 13 with Astronauts Lovell, Haise, and Swigert has quieted down I have just read an article in a popular magazine written by the editor stating that Apollo 13 with its apparent disaster a quarter million miles from home and its miraculously safe landing has brought science and religion together. This is quite understandable, for people of all creeds, doctrines, and beliefs were sincerely praying for the safety of these three astronauts which we do thank God for his wisdom given to the astronauts to land the Apollo safely.

I do wonder if it is the will of God for man to land on and inspect the moon and other planets which they are planning on doing. When God made the earth he placed man on it and said that man would have dominion over all things on the land, in the water and in the air, but the sun, moon and stars were placed in the heavens each having a purpose, but for his glory. His Word tells us that he will not share his glory with another yet man is spending billions of dollars to land on the moon and inspect in detail every part of it.

Is this not comparable to Adam and Eve who were placed on the earth at the beginning and given the privilege of enjoying everything in that beautiful garden of Eden except the fruit of one tree which they were told not to eat. I believe that we are all familiar with the price Adam and Eve paid for disobeying God's Command. Signed: Wandering Seriously.

Dear Serious:

I do not feel I can answer your question properly. I do know however that the Lord is in control of things and when He wants them to stop they will stop. Just as stop they will stop. Just as Adam and Eve, they went to far but do we know how far man can go in this realm?

APPLE SORTING

Automation has taken over apple sorting. Above, a machine, called a Bartlett Grader, measures and sorts apples automatically. The machine consists of a belt

with holes two and one half inches in diameter. Apples with a diameter less than two and one half inches fall through. Hand sorting is still used to separate the

different kinds of apples. The above scene was on the farm of Reeve Burton Morton, 6th Concession of Rawdon.

## Three Stirling businesses now under new ownership

It was announced this week that Robert L. Huin, proprietor of Stirling Commercial Printing, has purchased the village's coin-operated laundry.

Mr. Huin assumed ownership

## Catches eel

William Emmorey of Spring Brook was fishing from a punt in the quarry, just south of Spring Brook, when he hooked a large eel. It measured one inch short of four feet. Mr. Emmorey required assistance to land the monster.

## Teen bowling

Another season is under way and up to date we have had some fine bowling. This year we hope to have one of the best yet.

Our first bowling night was on Sept. 18. The chosen executive for this year is John Mouck, president, Fred Smith, vice-president, Paul Jones, secretary and Judy Johnson, treasurer.

In the October 2 bowling round Julie Hunter had the girls high single of 233 and the high double of 438. The high average was held by Susan Wright with 185. Tim Beith captured the boys' high single of 275, the high double of 508 and the high average of 234.

Teams and their standings are as follows: Hi-Lo's 13, H.P.A. 8, J. C. Reunus 5, and The Team 4.

of Stirling Econ-o-wash, North Street, on Oct. 1. He purchased the business from Claire Knight, R.R. 3, Stirling.

The new owner has initiated a program of overhauling the 10 washers in the laundry and expects to have them in top notch condition within a short time.

Other improvements effected include the installation of a new dispenser for detergents, bleaches, fabric softeners and plastic bags.

## Drops grocery line

At the end of September, a name long associated with groceries in Frankford will no longer be used in this connection. The Lucky Dollar Food Store with Mervin Dafoe as proprietor will be known as Dafoe's Dry Goods.

Mervin Dafoe's father, J. M. Dafoe, started the business in 1920 when he purchased the grocery then owned by John Rose. This was in the Orange Lodge building which has been recently torn down.

From 1929 to 1932, this business was moved to his home address at 18 Trent St. N., and was known as a Mobile Grocery, selling from door to door.

In 1932 he moved his business to the Ketcheson Block and remained there until 1936 and it was in 1932 that he added dry goods to his business. From 1936 to 1939 his business was located in what is known now as the Fairway Store, operated by Mrs. Whitmore.

The laundry will be open for use between 7 a.m. and 11 p.m.

Other business changes in Stirling include the sale of the former Sher's Restaurant on Mill Street to Scotty and Eleanor McCon of Smithfield. Mr. and Mrs. McCon have been working in the restaurant for the past week and expect to open its doors to customers soon.

Another recent change in ownership involved the purchase of O'Hara's Food Market, Front St., by Jim and June Hoyt of Trenton.

## Has anyone seen Whiskers?

On Sept. 24, one of our class members, Ian Smith, brought to class a little fat mouse whom we called Whiskers. We searched through our science library and found that Whiskers was a jumping mouse. It a cute, brownish colored little mouse and full of surprises.

About quarter past one, Lynn Thompson discovered a little baby mouse in the cage. It was pink in color and about a half inch long. The mother had the first baby mouse on a little box in the cage. This surprise led to another. In a while, she had another baby mouse in the hamster litter. She carried it up on the box and laid it down with the other baby mouse.

A little later, Mr. Murphy, our

Grade 8 teacher, whom we called "Dr. Murphy", came in and examined the babies. With the help of a pencil and some Kleenex, he moved the babies onto some Kleenex so the babies wouldn't fall off the box. After that "Dr. Murphy" left.

The class was surprised to see these little baby mice and so was Mrs. Moore. But most of the surprise came later, for by the end of the afternoon the mother mouse had seven babies altogether. At first nobody believed it, but our class all knew they were real baby mice.

In a few minutes, all the teachers knew, some of the teachers came to see them. The teachers finally called our room the maternity ward.

As we said, one surprise led to another. The next day was no different. In the morning the mother mouse and the seven babies were gone. Where? Well, that is the mystery. The cage door was still closed. No shavings were on the classroom floor. Nothing seemed out of place.

If you ever see a mother jumping mouse and seven babies, it might be our good friend "Whiskers".

Whether we solve the mystery or not, or whether we find out where "Whiskers" is, we are glad she was here for a short time!

Written by:  
Gloria Lynn Thompson,  
Grade 6, Room 5,  
Frankford Public School.

CONSTRUCTION BEGINS

Construction of a branch store of the Tweed Feed Mill has begun on North St.

in Stirling. The new mill to be completed some time in November, will handle many

agricultural products for area farmers.

## Local and Personal

Mr. and Mrs. Clifford Hubble, Mr. and Mrs. Hadley Richardson and son Dale spent a few days last week with Mr. and Mrs. Lorne Smith of Avon, New York. Mr. Richardson also obtained his American pilot's license.

Mr. and Mrs. Douglas Warren, Ottawa, spent the week end with Mr. and Mrs. Goldie McIntyre.

Mr. and Mrs. Wallace McIntyre spent an evening recently with Mr. and Mrs. G. F. McIntyre.

Mr. and Mrs. G. F. McIntyre had dinner with Mr. and Mrs. Clare Campion of Mar-mora recently.

Mr. and Mrs. Carman Nix of 61 Frankford Rd. spent the weekend in Peterborough and attended the wedding of their son Charles David Nix to Catherine Ann Quinlan.

After Charles and his bride return from their wedding trip they will make their home at 481 Concession Rd. in Peterborough.

Mrs. Ida Faulkner of Bloomfield, Mr. and Mrs. Sam Whitehouse of Sudbury, Mrs.

Ellen Greenan of Toronto and Mr. and Mrs. Brian Nix of Belleville with relatives from the Brighton area attended the Nix-Quinlan wedding at Peterborough and the reception at the Kawartha Golf and Country Club.

Also attending were Mr. and Mrs. Lyle Couch.

Mr. and Mrs. C. E. McWilliam, Don Mills and Mr. and Mrs. A. Gordon, Owen Sound, were recent guests of Mr. and Mrs. J. B. Belshaw.

## The Good Driver

In 1959 it became known that a dozen babies had suffocated in Canada in the first half year, through contact with thin plastic film, misused by adults. This led to newspaper headlines, and some almost hysterical demands for government intervention.

No official action was taken, but the Ontario Safety League and other agencies undertook a public information campaign to explain why thin plastic should never be used on cots, or left near play pens. Infant suffocation from this cause is now almost unknown.

In the same year the whole continent was stirred by the news that a small section of the cranberry crop had become contaminated in a way that might, just might, affect the health of someone who ate a large quantity. Millions of housewives reacted at the stores.

Man tends to have an irrational dread of the new, or the unusual hazard that is often right out of proportion to the real danger. Obviously, we should take proper steps to face up to every newly-discovered hazard. But it becomes illogical, the OSL points out, when we contrast the widespread excitement over such "new" dangers with the seeming indifference to far greater perils - such as mishandled automobiles, which kill more than 5,000 Canadians a year.

Discovery of a bottle of arsenic in the bathroom closet would throw any parent into near panic. Many otherwise responsible people, though, habitually drive old cars without checking the exhaust system for leaks, even though it is known that carbon monoxide causes more deaths than any other poison.

Carbon monoxide is a silent killer, and the full list of victims is never known. Most known deaths from this cause occur in parked cars and closed garages. But it is suspected that many

## Wedding of interest

The wedding of Eleanor Maureen Manning, daughter of Mr. and Mrs. R. W. Manning of Vernon, B.C., and James Anthony Summers, son of Mr. and Mrs. Eric Summers, Ottawa, formerly of R.R. 3, Stirling, took place at Knox United Church, Winnipeg, on September 26.

Dr. Bruce McDonald officiated at the wedding, the 100th to take place in that church in this Manitoba's Centennial year.

After honeymooning in Churchill, the couple will reside in Thompson, Manitoba.

single-car crashes and rear-end collisions are the direct result of drivers becoming impaired by CO leaking into the car, through a faulty exhaust system. The danger rises sharply when cool weather sets in, and car windows go up.

We should always guard against the possibility of poisoning from uncommon sources. But let us also remember that poison is all around us in our daily lives, and the leading killer-poison gets ready to go to work every time we turn the starter switch.

## Large Grant To Bridge

The federal government will make a grant of \$250,000 toward the cost of a new bridge over the Trent River at Glen Miller.

But construction of the planned new bridge is not expected to commence until next spring, despite the fact that the prestressed concrete girders have already been fabricated by Wilson Concrete.

Calling of tenders for the new structure has been held up pending written confirmation of the amount of the federal grant, roads committee chairman Ken Smith said.

However, it is expected that placement of the east approach fill can be proceeded with this year, thus allowing the fell to settle over the winter.

The Ontario Department of Highways has limited its subsidy payments for county roads this year to \$523,000, or \$86,000 less than the amount anticipated.

## THE BIBLE TODAY

Among those present at a Bible Sunday rally organized by the Bible Society of Ethiopia at Asmara, Eritrea, was the Governor-General of the province, His Highness Ras Asrat Kassa. Called upon to make some closing remarks, he said "The Bible is above all, governs all, and puts under it all leaders of all kinds. Therefore, anyone who walks by the Bible is happy to attend meetings like this where something about the Bible is said. All who wish peace among families and health for a nation must contribute something to the Scripture distribution so that the Holy Scriptures may reach many hands. It is on this basis that we helped the Bible Society to open its branch office here in Asmara. . . . Therefore, myself being the Governor-General, . . . I would like to be the first member in this region, and hereby submit my membership application form filled out to the Executive Secretary of the Bible Society of Ethiopia and herewith beseech you all to follow me." The next day the Secretary of the Bible Society visited His Highness's office and collected the

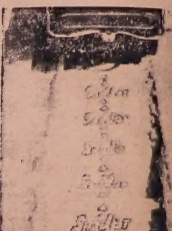

\$500.00 which he promised to pay on his membership application form. The Lord Mayor also enrolled as a member of the Bible Society as a result of the rally.

## Canada Savings Bonds

An investment that grows and grows

7 3/4%

average annual interest to maturity

Canada Savings Bonds help you plan ahead—look to the future without worry. They're Canada's most popular personal investment.

Canada Savings Bonds are easy to buy for cash or on instalments, in amounts ranging from \$50 up to \$25,000.

Canada Savings Bonds are cold, hard cash—instantly. They can be redeemed any time at their full face value plus earned interest.

Canada Savings Bonds are safe—backed by all the resources of Canada. They're a very special security.

New Canada Savings Bonds yield an average of 7 3/4% a year when held to maturity.

Each \$100 Bond begins with \$6.75 interest for the first year, pays \$7.75 interest for each of the next three years, and then pays \$8.00 interest for each of the last seven years.

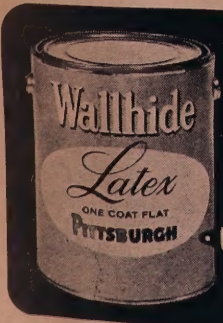

On top of this you can earn interest on your interest. You can make each \$100 grow to \$227.50 in just eleven years.

That's why we say, Canada Savings Bonds are good today, better tomorrow; an investment that grows and grows.

Buy yours today where you work, bank or invest

## HASTI-AGRI-GRAM

Congratulate them...

This is the time of year when a leisurely walk over your farm may indicate important factors that you should consider for the 1971 crop year. If growth was poor in particular areas, can you determine if it was due to low fertility, poor drainage, or competition from weeds?

Fall fertilization with phosphate and potash can save you time in the spring, as well as providing that extra boost for forage crops when they first begin to grow. Phosphates and potash can also be applied and ploughed down on land intended for spring crops. This saves valuable time in the spring. If drainage is a problem, make your arrangements with the drainage contractor now, and this will help him plan his work for the coming year.

Specific weed control is becoming more important each year. As new chemicals are

developed, some weeds are controlled, but new ones emerge. Check your fields at this time of year, observe the weed problems, and plan next year's planting according to your specific problems. If you still have a quack grass problem in corn, perhaps you should consider a fall spray program, as well as the usual spring application. Annual grasses in corn require other chemicals than atrazine alone. Weeds not controlled by your present spray program will reduce yields. Determine what the problem is now, and be prepared to act at the proper time with the proper chemicals.

Specific weeds may be controlled in a field by changing the crop, and substitution or rotating one that will enable you to overcome the problem. For example, certain weeds can be

controlled in the new forage seedings if they are seeded without grasses, and without companion crop.

The time spent closely observing your farm at this time of year can well save you time and money next year.

**DAIRYMEN! PLAN YOUR WINTER FEEDING PROGRAM NOW!**

Barry Kowalchuck  
Dairy Cattle Specialist

Now is the time to establish your winter feeding program. The feed bill is the largest out-of-pocket expense on the dairy farm and nutrition has a greater effect on herd milk production than any other single factor. Therefore, an hour spent planning an economically and nutritionally

balanced feeding program could easily be the most profitable hour of the season.

So often dairymen think that a feeding program involves only the grain mix. If they can feed some concoction that contains that magic 16% protein, then they figure that everything is A-OK. But a balanced, economical ration involves more than this — much more!

A balanced dairy feeding program begins with high quality forage. Early-cut hay or haylage and well matured corn silage provide a sturdy foundation for a low cost nutrition program. What quality of forage did you put up this year? By this, I don't mean whether your hay went in "nice and green without a drop of rain on it." ("Nice and green" late-cut timothy has about the same food value as oat straw!) I mean what is the protein and energy (TDN) content of your forage?

An accurate estimate of protein content can be obtained through laboratory testing. The Ontario Department of Agriculture and Food offers a laboratory feed testing service at a cost of \$5.00 per sample. A lab analysis is especially important if the ration is based solely on one particular type of forage. A not quite so accurate but useful "guesstimate" of feed value can be made from book values by those members of your local O.D.A.F. staff who work closely with ration formulation.

The analysis of your forage has a strong influence on the type of grain mix required to balance the total ration. The type and quantity of home-grown grain available is also of utmost importance. Several other factors will determine the optimum grain mix: (1), price of commercial dairy mix (e.g. 16%); (2), price of commercial dairy supplement (e.g. 36%); (3), price of corn and soybean meal; (4), availability of mixing facilities; (5), availability of storage facilities. It should become obvious that there is no universal "right" grain mix. The best grain mix for your operation may be totally different from that of your neighbour's. The important thing is that you should make decisions NOW!

This fall, should you consider: 1, buying cob corn, 2, contracting to buy soybean meal, 3, buying shelled corn, 4, buying small grains, 5, contracting to buy a commercial supplement???

Woodbeck-Thompson

Trinity United Church.

Roslin was the scene of the recent wedding on Saturday, Sept. 12 at 12 noon when Gail Marion Thompson, only daughter of Mr. and Mrs. Kenneth S. Thompson of Roslin RR 2, became the bride of Gilbert Bruce Woodbeck, son of Mr. and Mrs. Burton Woodbeck of Stirling. Rev. I. E. Munroe assisted by Rev. Bigby officiated at the ceremony. Organist was Miss Mary Tamm, who also accompanied the soloist, Robert Dafeo.

Given in marriage by her father, the bride wore a floor-length gown of white peau de soie featuring the new U neckline edged in swirled guipure lace. The Juliette sleeves were trimmed with an insert of the same lace. A two-tier veil of tulle was caught to a satin floral head-dress and she carried a cascade of red roses.

Mrs. Barbara Pitman, sister of the bridegroom as matron of honor wore a floor-blue dress of chiffon over taffeta with a matching colored picture hat. She carried a colonial bouquet of carnations and tinted blue mums to match her dress. Bridesmaids Miss Jean Warden and Mrs. Karen Passmore and the

flower girl Miss Romany Woodbeck, niece of the bridegroom were identically attired to the matron of honor.

Ron Woodbeck attended his brother, while the ushers were Allan Thompson, Larry Thompson and Bruce Thompson, all brothers of the bride.

A reception was held in the church hall where the bride's mother welcomed the guests wearing a mint green ribbonette dress with black and white accessories and a corsage of pink roses and mums. Assisting was the bridegroom's mother who wore a gold silk shantung dress with ivory accessories with a corsage of gold and bronze mums.

For the honeymoon trip to the Pocono Mountains in Pennsylvania the bride chose a navy blue dress and cape, red accessories and a red carnation corsage. On return they will reside at 165 George Street, Apt. 23, Belle Ville.

No record exists as to the date European sailors first landed in Aruba, but the Caribbean island was a rumour on maps as early as 1494.

## Militia Continues Its Re-organization

The Hastings and Prince Edward Regiment, one of the most traditional of militia regiments in the province, will join other militia units in Canada in self-command.

The militia in Canada continued its re-organization yesterday as Brig-Gen. Bruce Legge was placed in command of all militia in Ontario. For the first time, the command and control of citizen soldiers will rest with themselves.

The new system divides Canada into five militia regions, each to be commanded by a militia brigadier-general. The regions are in turn divided into five districts.

Gen. Legge's region, Ontario, is called Central Militia Area. Chairman of the Ontario Workmen's Compensation Board, he will have five militia districts in Ontario reporting to his headquarters in Oakville. The new district commanders

are Col. Lorne E. Barclay, Ottawa; Col. W. A. Maddox, North Bay; Col. A. R. McIntosh, London; Col. John Williamson, Hamilton; and Col. A. E. Neal, Toronto.

Deputy commander of the new Ontario area will be Col. S. F. Andrunyk of the regular force.

### Trimettes

The Frankford Trimettes held a general meeting at the village community hall with 13 members present.

High losers were Mary Gliddon and Linda Cleveland. Exercises were conducted for 10 minutes. Lorna Pike of Stirling was welcomed as a new member.

Next week will be Princess Night and the installation of officers.

...by long distance—

whatever the special occasion.

Good wishes are better when they're spoken! And remember — when you dial station-to-station within Ontario and Quebec, you save up to 25% after 6 p.m. — up to 50% after 8 p.m. and all day Sunday! Typical low rates are shown in your phone book.

Bell Canada

## Springbrook

Mrs. Essie Reid, 9th Line, spent a couple of days last week with Mr. and Mrs. Claude Reid and Janice.

Mr. and Mrs. George Williams were dinner guests of Rev. P. F. Gardiner and Mrs. Gardiner at Carrying Place on Tuesday. Mr. Peter Gardiner, Montreal, was a guest at the same home.

Robin McKeown, Marmora, spent Saturday with her grandmother, Mrs. Fred McKeown.

Mr. Les Preston is spending a few days with his father, Mrs. Jack Preston of Trenton.

Misses Susan Robinson, Toronto, Judy Leroy and Laurie Stoddart of Pembroke and Christine Phillips, Guelph, were recent overnight guests of Mr. and Mrs. John Williams and attended the Levey-Robinson wedding at Springbrook Church on Saturday.

Miss Myrtle McKeown of Peterborough and Mr. and Mrs. Lindsay McKeown of Stirling were guests of Mr. Tom McKeown on Sunday.

Week-end guests at the home of Mr. and Mrs. Ted Preston were Mrs. Linda Wickens and Lorrie, Mrs. Barbara O'Brien, Mr. Gary Preston, Mr. Clark Preston, Miss Sandra Preston and Mr. Ernie Cole.

Mr. and Mrs. Stewart Brownson spent a few days with relatives in Sarnia and also attended a meeting at the Carousel Inn, London.

Miss Irene Harlowe, Minneapolis, Minn., spent a week with her cousins, Mr. and Mrs. George Williams.

Mr. and Mrs. Alex Fleming and children were recent guests of Mr. and Mrs. Delbert Fleming. Mr. and Mrs. Ralph McMullen of Batavia and Mr. and Mrs. Ford Brownson and family of Foxboro were guests of Mr. and Mrs. Stewart Brownson on Sunday.

Mrs. Alton Robinson, Brockville, spent a week recently with Mr. and Mrs. George Williams.

### MARTIN MILLER

Martin Miller died suddenly at his home, RR 4, Stirling, on Saturday, August 29, in his 90th year.

Born in Malone, he was the son of the late Mr. and Mrs. William Miller. He resided at Big Island, Demorestville, RR 1, prior to moving to Stirling 20 years ago.

He is survived by a son Russell, and a daughter, Mrs. Keitha Aide both of RR 4, Stirling, five grandchildren and eight great grandchildren. His wife, the former Martha Ellen Hannah predeceased him.

Funeral service was held from the Hogle Funeral Home in Stirling on Monday, Sept. 1 at 8:00 p.m. and also at the Menonite Church, McArthur's Mills at 1:30 p.m.

Interment at Long Lake Cemetery, Mayo Township.

# NOW IS THE TIME TO SEE ROLLINS LUMBER ABOUT BUILDING YOUR HOME!

Right now, Rollins Lumber has a good supply of mortgage money available to get you started on a home of your own. No down payment is required for our Self-Help homes so all you need is enough desire to have your own home to contribute a certain amount of your own labor.

Here is how it works. If you see us now — we can erect the basic house shell before the cold winter weather arrives. Then, with heating installed, you can finish the interior yourself, sheltered from the cold. By using your own labor to do the not so difficult interior work, you can save several thousand dollars off the price of your new home.

BUT YOU MUST ACT NOW WHILE THE MONEY IS AVAILABLE AND THE WEATHER IS STILL SUITABLE.

CALL MR. GEORGE MILLS

AT 962-9184 FOR FULL DETAILS AND A SELECTION OF "READY-TO-GO" PLANS.

4 THE STIRLING NEWS-ARGUS, October 7, 1970

## River Valley Women's Group Holds Meeting

The October meeting of the River Valley Women's Institute was held at the home of Mrs. Sheldon McIntosh with 21 members, four visitors and five pre-school children present.

Mrs. Roy Tucker gave a message re antique china. An old fashioned set of china used in the bedrooms years ago was displayed.

Mrs. Bush then gave a message re horses and harnesses. A large drawing provided by Ted Cairns Tack Shop showed a horse and harness. A catalogue also showed a large variety of leather goods for different types of work horses, saddle horses, riding horses, etc., pictures of horses, whips, of bygone days were displayed and members gave names of their favourite horses. Mrs. Bush and her curator committee were thanked for their interesting program and the meeting closed with the Institute grace.

The hostess and lunch committee served refreshments and at the close of the social hour Mrs. Jack Bush voiced appreciative thanks to all who had contributed to the success of the afternoon.

**TOO HEAVY**  
LONDON - Window cleaner John Thomas, weight 320 pounds, didn't have an accident for 12 years. Then, a sill collapsed under his weight and he fell 40 feet to his death.

The Trent Valley Area convention will be held at Club Canara on October 28 and 29 with no night meetings. Delegates were appointed to attend.

Mrs. Ernest Carr reported for the Senior training and Mrs. Roy Irven gave a report of the 4-H Club meetings.

Mrs. Percy MacMullen, public relations officer, read an item re an October Barbeque and Corn roast.

The Christmas gifts for each member of Abbots' Leigh WI were displayed and Mrs. MacMullen will pack and ship the parcel soon. The gifts were made by several members last winter.

The 60th Anniversary supper will be at Sun Luck Gardens, Belleville on Monday evening, October 19 at 7 p.m. The August Pennies for Friendship was \$2.40 and Kenneth Hoard gathered the October contribution.

Gloria Harry gathered a special offering for a gift and David Bush opened the regular collection plate.

Mrs. Roy Bush, curator, presided over the program and displayed the River Valley Tweedsmuir History Book. She told about new contributors who had written items this year for the history.

Mrs. Sheldon McIntosh conducted the sing song and later provided organ music.

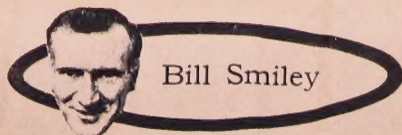

Mrs. Bush then introduced Mrs. Gerald Irvin, the district curator. She congratulated the members on their 60th anniversary. Her message centred around the value of a Tweedsmuir Book where important items of the community are recorded. She gave several informative items of interest.

Mrs. Bush voiced appreciative thanks and made the presentation of a gift.

Mrs. Ed Kent read the Psalm of Life by Longfellow.

Bill Smiley

### KEEP THE BRASSON GIRLS

by Bill Smiley

With Thanksgiving in the air, perhaps it's as good a time as any to give thanks that all our women have not joined the lunatic fringe of the Women's Liberation Movement.

I'm not knocking the Movement. The majority of those who belong to it and work for it are mature, intelligent women who believe there is discrimination against women in some areas and want to abolish it.

I agree with them about the discrimination in some areas. But I want no more to do with the screaming, bra-waving, instant-abortion parades of women who haunt their ranks than I do with the hard core of Maoists who turn every peaceful protest meeting into a riot.

'Twas not always thus. A look at history shows us some remarkable women who had tremendous influence without ever waving a placard or screaming epithets at policemen. Back to Greek mythology. Hera, wife of Zeus, was a wicked old dowager who repaid him in spades every time he strayed from the straight and narrow. Venus and Aphrodite did all right for themselves. Among mortals, Helen of Troy launched a thousand ships. And she didn't do it by flaunting her girdle on the end of a pole. She did it with her face.

Moving up a bit, we come to another majestic figure - Cleopatra. She managed to diddle her brother out of a kingdom (yay!), get herself an illegitimate son (yay!) by the great dictator Julius Caesar (boo!) and bring the magnificent Mark Antony, conqueror of hundreds of women (boo!) to his knees, a quivering wreck. She did wind up Greekling her ass to her breast, which made for a rather sticky end, but she had a lot of fun. I wonder if she wore a brassiere?

Isabella of Spain overrode the quibbling of her husband and gave that lunatic who thought the world was round, Columbus, some rotten biscuits and meat, some rotten jail-birds and three leaky ships to find the New World. Oh yes, they've always been tight with a buck.

Moving quickly, look at the two English queens who had entire eras named after them: Elizabeth I and Victoria. Liz had

most of the male royalty of Europe desperate to marry her, and dallied with the lives and loves of such robust chaps as Sir Francis Drake and Sir Walter Raleigh. The handsome, virile Earl of Essex was in love with her when he was about 20, she in her fifties. What woman could want more? And with womanly logic, she chopped off his head when he got too big for his britches.

Victoria was a stick, but nations trembled when she spoke, and she had so much influence on manners and morals that we are just now shedding the double morality of her age. She'd never be accepted by the Women's Lib.

With another leap, let's move up to another Liz: Taylor, the royalty of this century. She is married, for the fifth time, to a brilliant, sexy man. She has made millions. She has been envied and admired by millions (of women).

Certainly, this is a superficial view of women. But it does prove that if you've got what it takes, you can get where it's at. To confirm my suspicions, I made a rough and hasty survey of female opinion. My senior girl students are all for Women's Liberation, but deplore the tactics of the far-out wing. They do point out the soft spots, particularly in industry and business, where women meet a stone wall at a certain stage.

True, and something should be done about it. But in the professions: medicine, the law, teaching - women get the same fees as men. Why aren't there more women engineers and dentists? One would think their practical common sense in the one case, and their gentle touch in the other, would be invaluable. Maybe they have a thing about peering into canyons.

My wife thinks things are O.K. as they are. Like most women, she controls most of the money, can ruin her kids by spoiling them, and has a walling wall (me) when things aren't going right.

Well, the Women's Lib likes to set up straw men and knock them down. I've set one up for them.

The day on which Mae West

tears off her brassiere and starts waving it (the brassiere, that is) I'll apply for an associate membership in the W.L.M.

The Argyle Syndicate

On October 2, Verna Woodbeck was top bowler of the Energetic Bowling League in Group A, having the high single of 243, high triple of 642 and high average of 214.

In Group B, Katie Wilhelm had the high single, 247, high triple, 573 and high average, 172.

Starting on October 9, bowling begins at 1:30.

# The minimum wage is going up.

### An announcement on the new Minimum Wage and some improvements of Employment Standards in the area of job security.

As of October 1, 1970, the general minimum wage goes up to \$1.50 hour, and the construction minimum to \$1.75 hour. Then, on April 1, 1971, the general minimum jumps to \$1.65 hour, and construction to \$1.90 hour.

If your wage depends on the established minimum, get the whole story on the rising minimum wages by writing or phoning the Regional office of the Ontario Department of Labour nearest you.

At the same time the minimum wage goes up, new regulations come into effect to improve your job security.

For example, if you work for one of an associated group of companies and are assigned to another company in the group for a period of time, you'll get paid for any overtime you work just as if you were still working for the original company. All the other provisions of the Act apply the same way.

If, for any reason, your company closes down, all wages owed to you (up to \$2,000) have preferred claim against the assets of the employer.

The same rule covers any vacation pay you may have coming (vacation pay must now be held in trust for you by your employer).

How much vacation are you entitled to? The law says you must get at least one week's paid vacation after your first twelve months of employment, and two week's paid vacation after each of the next twelve months.

### Some new teeth in the law.

The Employment Standards Branch has the power to assess any money owing to you, either wages, overtime or vacation pay, and to collect it from your employer on your behalf.

Employers must also pay the Department a 10% penalty for withholding any money from you.

For the whole story on what these changes mean to you, write or phone your nearest Employment Standards Branch.

## Mount Pleasant

(by Mrs. Percy MacMullen)

Mr. and Mrs. Mac Sharp and Kenneth spent Sunday, September 27, with Mr. and Mrs. Calvin Sharp, Toronto.

Frank Emerson and son, Bill, of Moira, spent a recent Sunday with Mr. and Mrs. Sid Williams.

On Friday, September 29, John Holmes, Ross Hoard and Mr. and Mrs. Percy MacMullen enjoyed a bus trip with the senior citizens to Algonquin Park.

Mr. and Mrs. Ralph Reid, Bonarlaw, Mr. and Mrs. Delbert Rowe, Warkworth, Mr. and Mrs. Harold Rowe of Warkworth, Mr. and Mrs. Harold Rowe of Hoard's Station, Mr. and Mrs. Clifford Sine and Mrs. Doris Sine, Stirling attended the double shower in the church hall on Friday evening.

### MESSENGERS

On Sunday morning, September 27, the first meeting of the Messenger Group was held in the church hall. Jill McAdam presided and Margaret Hoard was pianist. Mrs. Robert H. Hoard conducted the Thanksgiving Devotional with Scripture hymns and prayer. Joslin and Dale Harry received the offering.

Kathy Sharpe gave the July minutes and roll call.

Mrs. Raymond McConnell outlined the primary study book and Mrs. Stanley Williams was in charge of the junior book. For the program, selections were read by Linda Hoard and Margaret Hoard.

Kenneth and Heather Hoard sang a duet and Loretta Hoard sang a solo.

After the business, the leader showed a film.

On Friday evening October 2, a double shower was held in the church hall in honor of the newlyweds.

**Will speak  
on pollution**

Norman Pearson, Chairman of the Centre for Resources Development, University of Guelph, has accepted an invitation to deliver the keynote address at the Pollution Control Seminar to be held at Loyalist College Saturday, October 17.

Mr. and Mrs. Malcolm Reid, Kingston, and Mr. and Mrs. Wayne Maybe.

Rev. W. C. Cox was master of ceremonies. The assembly singing was conducted by Mrs. Garth Joslin and Robert Hoard.

Piano selections were played by Suzette Morgan, Margaret Hoard and Mrs. Mac Sharp.

Mrs. Percy MacMullen recited a number and Mrs. Raymond McConnell read a selection.

Harvey Couch and sons, Kenneth and Gary contributed several musical selections on harmonicas and accordions.

The newlyweds were given seats of honor. Miss Brenda Williams read the first address to Wayne and Doreen Maybe and made the presentation of a purse of money from the community.

The second address to Malcolm and Rose Reid was read by Roger Smith and they were presented with a money gift.

Each couple received a church plate from the U.C.W. The four newlyweds expressed thanks for their gifts and invited the group to visit them.

The committee in charge served refreshments and all enjoyed a social half hour.

## WEEKLY REPORT

FROM

## FOXBORO DISTRICT

(BY JACK WOOD)

There won't be many corn growers in Ontario who don't know about the southern leaf blight hitting grain corn in North America this year. In Ontario it's mostly affecting Essex and Kent county corn crops. The greatest damage will come where the disease is already established. And the difficulty about this blight is that once it hits your crop, you can't do much about it.

But there are other kinds of problems that the corn grower needs to pay attention to right now.

The northern corn rootworm infestation is heavy in Essex, Kent, Elgin, Lambton, Middlesex and west Oxford counties, says the Ontario Department of Agriculture and Food. But as continuous corn cropping increases from year to year, the rootworm distribution will spread. Light infestations have been found throughout Western Ontario, west of Simcoe and York counties.

Now is a good time to assess the damage in your cornfield from this pest. Look for the adult beetles on the ears in your cornfield. Also look for elbowed or "goosenecked" stalks. If you have many of these (10 per cent would mean a heavy infestation) check the roots of the damaged plants for rootworms to confirm the damage is caused by the pest.

Control is either by crop rotation or chemical treatment next spring with a soil insecticide, or both.

Another corn pest that has plagued corn crops over the years is the European Corn Borer. Check your corn cobs now before harvesting the crop, for damage.

Control is costly when done by chemical spraying early in the plant growth stage and of course—too late anyway for this year. But by cutting corn

for silage very low in the stalk, you will remove more borers from the field. Deep clean fall plowing of the cornfield will also help control the insect. And while you're doing this, it is a good time to put into effect your fall fertilizer plow-down practice. It's time to add phosphates and potash to your soil.

### Senior citizens on color tour

The 41 Senior Citizens who went last Tuesday on a color tour of the north were delighted with it. Just before we got to Bancroft, our driver, Franklin Smith dumped us all into the rumpus room at the lovely home of Mr. and Mrs. Clarke Rollins, who were on hand to greet us. A table 42 feet long was spread for us and the hospitality extended was just out of this world. Clarke must be a collector of antiques for he had a photographer on hand to take our picture, although it may not be a popular collector's item.

The Algonquin Park and the view from the lookout at Dorset were just one colorful wonder.

After a nice dinner at Peterborough we all arrived home in good time and there were no casualties. Last Thursday, Alice Fitzgerald of Carrying Place was a guest and the lunch was prepared and served by Jack and Tilly Senior, Mina Smith and Evelyn Finkle.

Next week will be our annual meeting. Reports will be given and officers elected for another year. Be present.

Computer wise—Have you noticed how much brighter the people machinery seems to be getting?

Each \$100 bond of the new Series earns \$6.75 interest in the first year, \$7.75 interest in each of the next three years and \$8.00 interest in each of the last seven years. The three extra certificates are worth \$9.75, \$6.75 and \$25.00. The sum of these annual interest coupons and compound interest certificates makes each \$100 bond grow to \$227.50 in 11 years.

A major advertising campaign will be launched when the Series goes on sale next month. A national campaign by newspaper, radio, television, magazine and billboard will advertise Canada Savings Bonds as an "Investment that grows and grows", as "Good Today... Better Tomorrow" and as "Canada's most popular personal investment."

Emphasis will be placed again this year on the Payroll Savings Plan, through which a record \$297,500,000 worth of Canada Savings Bonds were bought last year.

Teams of payroll organizers and canvassers will work closely with thousands of employers to offer to employees the Payroll Savings Plan an easy and efficient method of planned saving.

Bonds of the new Series will be available on October 5 and will be dated November 1. They may be purchased up to and including November 13 at face value without payment of accrued interest.

The following conditions are unchanged from the 1969/70 Series:

1. Maximum of \$25,000 for each purchaser.
2. Eligible purchasers include individuals, adult or minor; estates of deceased persons; trusts established for or on behalf of individuals; religious institutions; charitable organizations and other non-profit making associations. Purchasers must be bona fide Canadian residents.
3. Coupon bonds registered as to principal are available in denominations of \$50, \$100, \$500, \$1,000, \$5,000 and \$25,000.
4. Fully registered bonds are available in denominations of \$500, \$1,000, \$5,000 and \$25,000. In one form of fully registered bonds, interest will be paid annually by cheque but the bond will not provide compound interest. In the other, the bond will offer the compound interest feature and interest will be paid only when the bond is redeemed; a holder of this form may, however, exchange his bond without cost for an equal amount of coupon bonds with a full complement of coupons and

## Savings Bonds will yield 7¾%

Finance Minister E. J. Benson has announced that the 1970/71 Series of Canada Savings Bonds will offer purchasers an average annual yield of 7¾ per cent when held to maturity.

This 20th Series of Canada Savings Bonds carries a term of 11 years, maturing November 1, 1981.

The bonds may be cashed at any time, at full face value plus earned interest. They may be bought for cash or by instalments at any bank branch, and through authorized sales agents including trust and loan companies and investment dealers. In most instances employees may buy them where they work.

For the fifth consecutive year, a compound interest feature will provide for three extra certificates during the life of the bond if annual coupons are left uncashed to earn interest on interest.

Each \$100 bond of the new Series earns \$6.75 interest in the first year, \$7.75 interest in each of the next three years and \$8.00 interest in each of the last seven years. The three extra certificates are worth \$9.75, \$6.75 and \$25.00. The sum of these annual interest coupons and compound interest certificates makes each \$100 bond grow to \$227.50 in 11 years.

A major advertising campaign will be launched when the Series goes on sale next month.

A national campaign by newspaper, radio, television, magazine and billboard will advertise Canada Savings Bonds as an "Investment that grows and grows", as "Good Today... Better Tomorrow" and as "Canada's most popular personal investment."

Emphasis will be placed again this year on the Payroll Savings Plan, through which a record \$297,500,000 worth of Canada Savings Bonds were bought last year.

## STIRLING PUBLIC LIBRARY

The Stirling Public Library Board met for the regular monthly meeting on Oct. 1. Out-of-town students are reminded that their library cards are due for renewal for the coming year, until September, 1971, if this has not already been done. For 35 cents they may have the use of all of our facilities, including Inter-Library loans, to help with their assignments, hobbies and for "fun reading" too. We have many new books for young readers on our shelves.

Area residents will be interested to note that the plaque donated and maintained by J. L. Good has been returned to its place in our entrance, with the added names of the most recent students of the former Stirling-Rawdon area to receive this academic standing. They are Lloyd Dunham, Judy McAdam, Lois Green, Kinton Ketchen and Thomas Thomson.

Among our new titles we have "Making Good Again" by Lional Davidson - another good story by the author of "The Menorah Men". It tells of a case of restitution in the yet uncompleted aftermath of the second World War, and explores the German national character and the modern Jew's roots in tradition.

In Daphne DuMaurier's latest best-seller, "The House on the Strand", the location is the Cornish countryside that she knows so well, and she has

woven a spell-binding tale in which the past of the fourteenth century becomes inextricably woven with the present.

Graham Greene's best seller, "Travels with my Aunt" tells the story of Henry Pulling, a retired bank manager, who accompanies his elderly aunt on her travels, and is unexpectedly confronted with many strange, witty and comic situations, and finds himself involved as never before in his staid life.

"Many Trails" by R. D. Symons, is an account of the author's life in the Canadian West, the land he loved and roamed from the age of 16 - his perceptive drawings enhance the pages of this book, which bring this country to his readers through his eyes.

"May Your First Love be Your Last" by Gregory Clark is another book of reminiscences by Canada's favorite storyteller.

Elizabeth Kinball, who received her early education in Belleville, gives us an intimate and revealing portrait of her uncle, Stephen Leacock, in "The Man in the Panama Hat". Writing of "Uncle Stephen" rather than the great literary figure, we see many little incidents that bring the famous humorist to life.

Another famous Canadian, Tom Thomson, the artist and fore-runner of the "Group of Seven" is the subject of the fascinating book "Tom Thomson The Algonquin Years" by

Ottely Addison in co-operation with Elizabeth Harwood. Tom Thomson's finest work was influenced by his affinity with the Canadian wilderness, especially in Algonquin Park, where he lived most of the last four years of his life. Reproductions of some of his paintings add to the pleasure this book will give readers.

For younger readers, Bill Bergson and the White Rose Rescue" by Astrid Lindgren is another exciting tale about the master detective and his friends, who discover the kidnapping of a famous scientist and his young son, and set out to rescue them.

"Making Mobiles" by Guy R. Williams is a handbook with instructions and diagrams showing how to make imaginative constructions - an interesting hobby book; and young artists will be interested in "Paint, Brush and Palette" by Harvey Weiss, giving much basic information on the techniques of painting, and the same author has written "Clay, Wood and Wire", a how-to-do-it book of sculpture.

We hope to have more new titles to bring to your notice in the near future. Until then, Happy Reading!

A SUBSCRIPTION to the News-Argus makes an ideal gift - sent anywhere in the world.

Mr. and Mrs. Lynn Mason of Scarborough and Don Heath of Oakville visited their father, Ralph Heath, over the week-end and visited their mother, in Civic Hospital, Peterborough, where she underwent surgery, on Wednesday. She is in room 413-4th floor.

Mr. and Mrs. Clarence Thomson and family were Sunday guests of her sister and husband, Mr. and Mrs. Gary Lounsbury, Vicki and Marci, at Peterborough.

Mrs. Eldon Anderson enjoyed a bus trip to Toronto on Saturday, arranged by the Penecostal Churches of Campbellford, Havelock and Peterborough.

Mr. and Mrs. Everett Lake of Stirling were Sunday dinner guests of Mr. and Mrs. Bob Reid and family.

Little Nancy Spencer visited her little friends, Margaret Anne Thompson at Springbrook and Pamela Meiklejohn, at Rylstone recently.

Mr. and Mrs. Percy Mumby of Springbrook and their grandchildren, Carol and David Boldrick, of Belleville, visited Mr. and Mrs. Wilfred Spencer on Saturday evening.

Nancy Gray of Peterborough spent the week-end under the parental roof.

Mrs. John Rowe of Stanwood is spending a few days with her daughter and husband, Mr. and Mrs. Ray Stewart.

There has been no damaging frost in our community so far this fall, though a little frost was seen in low lying places on two occasions.

Janice Reid of Springbrook and Reed Morton, Rylstone, were recent guests of the family of Mr. and Mrs. Clarence Thomson.

Mr. and Mrs. Harold Stapley, Leona and Helen, were Sunday dinner guests of Mrs. Stapley's mother, Mrs. Cora Reid.

Mr. and Mrs. Eldon Anderson and David, visited her mother, Mrs. Mary Menzies, in Havelock, on her birthday on Sunday.

Mr. and Mrs. Frank White, and Mr. and Mrs. Gerald Fitchett of Campbellford and Mr. and Mrs. Walt Reid, Rylstone, were Sunday dinner guests of Mr. and Mrs. Jim Mumby and family.

Among those who took the bus trip to Beamsville on Saturday to see the Midgets play ball, were Mr. and Mrs. Jim Morton, Wm. Dick and Bob Morton, Mr. Murray Meiklejohn, Mr. and Mrs. Glen Morton, as well as many teenage boys.

Mr. and Mrs. Percy Reid are attending the United - Co-Operative Chairman's Convention in Toronto.

Mr. and Mrs. Don Pettie arrived here on Tuesday from a motor trip to Victoria, B.C. down the West Coast to California and back through the Central States.

Don Pettie has left for Churchill Falls, Labrador, for a few weeks to finish up his work there.

Mrs. Bert Sine and family of Belleville visited her mother, Mrs. Essie Reid on Sunday.

Mr. and Mrs. Fred Petherick were Sunday supper guests of their daughter and husband, Mr. and Mrs. Roly Jackson, and family, at Harold.

Recent guests of Mr. and Mrs. Roy Barton were Mr. and Mrs. Everett Heath, Bonarlaw; Mrs. Harry Smith and daughter, Betty of Belleville, and Miss Nellie Chard of St. Catharines.

## LEGION NOTES

The executive went to the district "F" drumhead service in Haliburton Saturday and Sunday and had a thoroughly good time. The temperature was 29 degrees and in the arena, who knows?

The fall colors were beautiful. Even the Murray Hills are beautiful. Just think of the Comrades resting in foreign fields who don't have the chance to look, but who died so we could enjoy life.

The most effective Legion work is and must be done at the branch level. The point is fundamental. It is only by performing effectively as members of their branches that

Legion workers can help their national organization attain real effectiveness at any level.

Our national prestige, our claim on the public trust, our weight on the scales of public policy, the image we convey to our countrymen - all these are simply the sum of the efforts of individual members working in their respective branches.

The avenue for each of us who believe in the Legion ideals, and seeks to apply these ideals to the building of a stronger Canada, lies in personal participation in constructive and wholesome branch activities.

ENGAGEMENT

Mr. and Mrs. George Francis Frechette, Belleville, are pleased to announce the engagement of their daughter, Janet Mary, to Donald Edward Armstrong, son of Mr.

and Mrs. Donald Max Armstrong, Stirling. The marriage will take place on Saturday, October 24, 1970 at St. Michael's Church, Belleville at 11:00 a.m. 38-1p

## Stirling will ask county to set up garbage units New postal pickup results in better service

SURVEYING THE DAMAGE

Mrs. Percy MacMullen, RR 3, Stirling, surveys several tree stumps between her property line (the fence on the left) and a township

road. Rawdon township work crews moved nine trees along the MacMullen property last week. Mrs. MacMullen felt that it was not necessary

to remove all of the trees in that particular area.

Photo by Roy Lewis

The regular meeting of Stirling village council was held October 6.

All members were present, except councillor Claude Trumble.

Minutes of the last regular meeting and one special meeting were approved on motion of Anderson and Faulkner.

Mrs. Everett Cooke and Mrs. Clifford Clancy attended Council to discuss certain problems in the Community Hall kitchen. At a recent meeting, it was proposed that the Village buy the dishes from the Women's Institute, to eliminate problems in renting the Community Hall for banquets. The ladies agreed to make an inventory within the next few days and report at the next council meeting.

The clerk read the following correspondence - Ontario Water Resources Commission, re Belleville, Trenton Water and Sewer Area; The Ontario Municipal Board, re by-law No. 743-70; Welby Computer Services Ltd., re preparation of voters' list; Ontario Municipal Association, re speech by Hon. W. D. McKeough; Dept. of Municipal Affairs, re uniform building standards and the Lawson Report; J. B. Harder, re school board nominations; Department of Municipal Affairs, re by-law No. 741-70; Dept. of Municipal Affairs, re order deeming Plan No. 38 not to be a registered plan; J. V.

Holt Sales, re lawzett culverts; Emergency Measures Organization (Quinte Area), re request for large map.

Department of Highways, re purchase of property for widening on Highway 14; Ontario Housing Corporation, re federal approval of Senior Citizen Units; Department of Municipal Affairs, re by-law on 1970 tax rate; Domet Chemicals, re closing of Belleville depot; Ontario Municipal Board, re changes in rules of procedure; Hastings County Registry Office, re by-law No. 741-70 registration Judge J. C. Anderson, re Division Court; Town of Goderich, re request for approval of resolution Department of Municipal Affairs, re Hastings County planning board; The Ontario Municipal Association, re convention reservations; George Rhynsburger's monthly report and letter.

The clerk was instructed to forward a letter to Clarence Copeland setting out the amount council would pay for his property taken for widening Highway 14, with a copy to D.H.O. Kingston.

Motion by Brandt and Faulkner that the resolution from the Town of Goderich be received and filed.

Motion by Faulkner and Anderson that the By-Law Officer's report be received and

filed. Motion by Brandt and Anderson that the balance of the correspondence be received and filed.

Fire Chief G. C. Mouck attended Council and discussed several problems, especially the west wall of the fire hall. Council was of the opinion something would have to be done with this wall. Property committee agreed to investigate and report back.

Motion by Anderson and Brandt that Council apply for the interim subsidy on roads and streets in the amount of \$15,414.46.

Discussion took place on the purchase by Robert Tombs of the house at 50 Gore Street. The following resolution was passed: That - The crossing permission that was requested be granted, provided the owner meet all requirements of the Department of Health and the Ontario Water Resources Commission, and further that no requests be made on the Village for provision of water and sewer services unless all costs in connection with the installation be met by the owner.

Motion by Anderson and Faulkner that Hastings County Council take immediate steps to establish a garbage disposal unit, as it is beyond the capacity of the local urban municipality to police the established units, and also that the County of Hastings initiate action to have the Department of Energy and Resources Management establish reasonable policy in regard to the operation of municipal garbage disposal units.

The tenders for the supply of furnace oil for 1970-71 for the Village were opened. Three were received: Halton Fuels, 17.75 c per gallon; Imperial Oil Ltd., 17.70 c per gallon; Ken Sine, 17.60 c per gallon.

Motion by Faulkner and Brandt that the lowest tender of Ken Sine be accepted at 17.60 c per gallon.

The clerk was instructed to contact the weed inspector regarding weeds on Lots 13, 14 and 15 on Henry Street, also to have the Village foreman have a manhole raised on Charlotte Street and remove a tree on Front Street.

Motion by Brandt and Faulkner that the Village buy a chain-saw from McIntosh Motors, the price to be \$150.

Council will meet again Tuesday, October 20, at 7:30 p.m.

On Oct. 1 a new Highway mail service was established between Madoc and Belleville. This has resulted in a better service for outgoing mail from Stirling. Mail formerly left the Stirling Post Office for Belleville at 10:45 p.m. It now leaves at 7:10 p.m. Monday to Friday and at 4:30 p.m. on Saturday. This results in much better connections in Belleville for onward transmission.

The mail closing times are as follows: All points daily, except Sunday, 7:45 a.m., and daily, except Saturday and Sunday at 5:30 p.m. Saturday only is 3:30 p.m. There is no Sunday service.

The main changes in the above schedule are the additional 7:45 a.m. despatch and the earlier closing of mails on Saturday (3:30 p.m.)

THE MAIL CLOSING TIMES are very important to note, if a letter or parcel is to leave Stirling the same day it must be posted before closing time of mails.

Mail arrives the same as

usual, sorted to boxes approximately 8:30 a.m.

There will be no change in wicker hours which are Monday to Friday, 8:30 a.m. to 5:45 p.m. and Saturday 8:30 a.m. to 12:30 a.m.

The lock box lobby is never closed. Open 24 hrs. for your convenience.

On Oct. 16 a new money order form is being introduced. The new money orders are more personal and the time to purchase one has almost been eliminated. No longer will you have to wait while a postal clerk fills out a tedious form. All that has been changed. Now we don't even ask you to fill out your name or that of the recipient at the wicket. You do that yourself in private. Just tell the clerk how much it's for. He will then register this amount on the form, with an imprinter, similar to those in use at gas stations. Then you're on your way. It's as quick as buying a stamp. The money order maximum has been increased to \$200.00.

## Bethel Church marks anniversary

On Sunday, September 20, Bethel United Church on the Rawdon Circuit, observed its 97th anniversary with a large assembly of worshippers in attendance from the community and nearby points. The church was artistically decorated for the occasion with baskets of colorful mums and gladioli.

Rev. William Hendry, B.A., B.D., of Deseronto was the guest minister and based his morning message on "The Seventies Christian".

Special music was arranged by Mrs. Harold Elliott, A.T.C.M., church organist and Mrs. Kenneth Sine.

The junior choir, of eighteen voices and directed by Mrs. Sine, sang "My Shepherd Will Supply My Need" by Isaac Watts. The guest soloist, Mrs. Robert Hough of Holloway rendered the solo "The Lord is my Shepherd", by Widdie.

The service opened with "The Church's One Foundation" and

previous to the sermon the congregation sang "God reveals His Presence" and the service closed with "O Jesus I Have Promised".

Rev. W. C. Cox, B.A., B.D., conducted the evening service. At the evening service, the junior choir sang "There's A Beautiful Story" by F. Lane, with Betty and Mary Lou Sine taking the duet part. The guest soloist, Mr. Norman Middleton of Toronto, rendered two numbers, "I Walked Today Where Jesus Walked" by O'Hara, and "How Great Thou Art", by S. K. Hine.

Rev. W. Hendry based his evening sermon on "The Generation Gap and the Christian Calling Today is to Close That Gap". The anniversary service closed on the theme "Lead On O King Eternal", followed by the benediction and the choral Amen.

## LETTER TO THE EDITOR

## A tree lover lashes out

Dear Sir: Through the medium of the News-Argus, I would like to suggest to Rawdon Township Council that whoever is in charge of conservation should arrange to save large trees as far as possible, and that only limbs be cut if they obstruct the snow plow.

In the interest of conservation, it must be remembered that trees take years to grow to maturity. They provide scenic beauty and bird shelters. My opinion is that when

mature trees are cut in the line of progress, then others should be planted.

On Thursday, October 1, Doug, Andrews, road supervisor, and his crew, cut and burned six large Manitoba maple trees along the ditch and three smaller trees very close to the fence, all on Township property. The reason given - more room for the snow plow.

Besides their beauty, the trees covered a large junk heap which was purchased along with the property in 1945. The tree

stumps were left along the road instead of pulling them out and now they are an eyesore to everyone.

The unnecessary procedure of tree cutting has made a lot of extra work and also the expense of a new fence to protect the property from stray animals. Despite a lot of worry, loss of sleep and a few tears, those lovely trees are all gone and I will have to spend each day getting accustomed to the bleak countryside.

Sincerely,  
Florence M. MacMullen.

## Springbrook UCW visits Merryvale

Springbrook United Church Women held their meeting on the regular day with 20 ladies present and one visitor.

The President, Mrs. Lorne Bailey, opened the meeting with the Lord's Prayer in unison.

The meeting was in charge of the Flowers and Fruit, Press and Publicity committees.

Mrs. Gerald McFaul took charge of the worship on Thanksgiving. Mrs. Harry Haslett read the scripture, Psalm 107, verses 1 to 15, Mrs. Ken Thompson gave a Thanksgiving prayer.

Mrs. Clayton Burkitt, the secretary, read the minutes, plans were made for the fall rally at Queensboro. Mrs. Murney Mason, treasurer, gave her report.

Plans had been made by the committee so all travelled to Campbellford to the

Merryvale School for Retarded Children. It was very interesting to the ladies to see the things the pupils do and the way the teachers work with them. The children themselves were very happy to have visitors, they were having their juice and cookies. They talked to the ladies and later sang their Oct. songs for them.

Mrs. Hoey, the principal, had invited the group to bring their lunch. This gave the ladies a social time with the teachers and a chance to have questions answered.

The ladies returned home feeling they had spent a worthwhile afternoon.

## Check your label, please

The mailing lists of the News-Argus have been corrected and subscribers are requested to look at the yellow label on their paper to see if the date of expiry is correct. If the label reads before November 1970, you are in arrears and we would appreciate hearing from you in the near future. Should the date on the label be in error, please notify this office at once and it will be corrected.

## ASK THE PASTOR

Dear Pastor: I am confused about the different versions of the Bible. We have the King James version, the Amplified, the R.S.V., the New English Bible, now the Modern English. The problem is, which should I read?

Confused,  
Dear Confused: Which one do you understand? Well, that is the one you should read. King James is the most commonly used Bible, that is as a whole Bible. It may change and so it will be good because others are easier to read and understand. We are all individuals and we need to find out what suits us as individuals.

MAN INJURED IN ONE CAR CRASH

Ross McIntosh, 21, 221 Ann St., Belleville, was taken to Belleville General Hospital following an accident on the Ridge Road, one

mile east of Stirling Saturday night. Mr. McIntosh lost control of his small model car and crashed into a Hydro pole. The car came to rest on

its roof. Mr. McIntosh suffered injuries to the left side of his body. The hydro wires from the fallen pole shorted across the car, causing a

brief flash fire. The Stirling Fire Department was called to the scene.

## Minor Hockey Association names coaches, managers

At the first fall meeting of the Stirling Minor Hockey Association, it was agreed that entries should be made in all five classifications of OMHA group play - Novice, Pee Wee, Bantam, Midget and Juvenile.

The entry of the girls team has already been made in the Eastern Ontario Ladies League. Ted Dobson and Bert Bastedo will again coach and manage the

## Senior school open house

Thursday evening, October 8 was Open House Night at Stirling Senior Public School. The school gymnasium was filled with interested parents at 7:30, when speeches of welcome were made by Eric Runaces, Director of Education, Hastings County Board of Education; David Smith, Co-ordinator of Community School Programs and by Jack Cousins, Associate Superintendent for the Centennial Associate Area. Also present were Board of Education members Don Williams and Raymond Rowe.

The central theme of the evening question period was how the school and the community can work together.

Afterward, the teaching staff of the Senior School met with parents individually to discuss means of working together to achieve better opportunities for the students.

Students also played a very important part in the evening's program. The school band, led by Maurice Bell, presented a concert in the gymnasium and student volunteers served coffee in the Home Economics room.

Legion-sponsored Novice and Pee Wee All-Star teams.

The Bantam entry will be coached and managed by Albert Hubble and Sonny Foshay.

The Midget team will be coached by Ron Hadley and the manager will be Gary Mason.

Although a coach and a manager for the Juvenile entry have not named, several persons have been suggested and appointments will be made at a later date.

Looking after the girls team again will be Bernard Farrell and Brian Finnegan.

A discussion regarding the attendance of prospective referees to Referees' School also was on the agenda and since

## Senior citizens four years old

A four-candle birthday cake made and presented by Gertrude Belshaw was the highlight of Thursday's lunch at Senior Citizens. Assisting with the lunch were Flossie Geen and Della Descent. Each year Gertrude Belshaw has made a cake for each occasion of the club's birthday.

After a short session of games, Fred Heasman, president, called on Bob Patterson to assume the gavel and proceed with the election for the 1970-71 term. Reports were given by all officers, revealed that the club has 55 members strong and financially not in the red. A very happy year had been enjoyed by all.

The new officers elected were: president, Fred Heasman, re-elected for one more term. Vice-president and pianist is Margaret Fitchett. Lillian Heasman accepted the office of treasurer after Gertrude Belshaw

declined owing to other duties. Margaret Ward accepted the duties of secretary for another year.

Program committee - Nellie Montgomery and Bob Patterson; House Committee - P. D. MacMullen, with power to add sufficient to keep the club in good shape.

Mary Cook, Ada Bush and Fanny Kane agreed to form the lunch committee. The president will be on all committees.

President Fred, thinking he was done as president, had given his swan song and thanked all for the loyal support over his two-year term as president, again assumed the gavel for what we hope will be one more year of happy living in our club.

dis ole Scribe, Editor's Note - Due to the strain of conducting elections, dis ole Scribe was unable to come up with his usual joke for this week!

The average size farm in the United States in 1969 was 377 acres, one-third larger than in 1959.

About 19 per cent of the 510 million acres of commercial

forest land in the United States is in the National Forest System. Private ownership accounts for 72 per cent and the balance is in other state, federal and local holdings.

### SWINGS NOW OUT OF STYLE

Modern playgrounds no longer have the traditional swings and teeter totters. It is felt that the former type of apparatus did not promote

physical fitness since the child was in a sitting position. New playground equipment, as seen above at the Stirling Junior Public School,

is designed in such a way that the child, when he uses it, is exercising the muscles in several parts of his body. Photo by Roy Lewis

### Merrie Bowlers

The high single was rolled by Linda Barron, 236. The high triple and high average goes to Barb. Noble with 580 and 181. Barb. also rolled a 230 game.

Oct. 7 — High single of 206 was rolled by Mildred Fraser. High triple of 529 was rolled by Ruth Glover. Linda Barron has the high average of 173. Bessie Hewton had a 200 game.

Standings	
The Roses	16 pts.
The Asters	14 pts.
The Daisies	12 pts.
The Petunias	0 pts.

### STIRLING WOMEN'S INSTITUTE

#### DON'T QUIT

Success is failure turned inside out. The silver tent of the clouds of doubt, And you never can tell how close you are, It may be near when it seems afar, So stick to the fight when you're hardest hit, It's when things seem worst that you mustn't Quit.

### STIRLING HORTICULTURAL SOCIETY

Plant all varieties of garden Tulips this month, also remember our meeting on Monday, Oct. 19 at St. Andrew's Presbyterian Church Hall, at 2:00 p.m. All welcome.

### Dollars and Good Sense

Mr. Martin serves as special consultant to AVCO Financial Services. All questions should be sent to him at P.O. Box 2820, London, Ontario. Those containing a name and address will be answered in this column or by direct return mail. No names will be used in print.

Since many letters we receive indicate an awareness of practical buying and saving techniques, the column this week will be devoted to some "do's" and "don'ts" of planning, buying and saving. The following suggestions should help you solve some of your money problems:

Do keep track of your income for at least two months so that you'll know where your money is going.

Do determine how much you have left after all the necessary expenses (rent, food, clothing, payments, etc.) are taken out.

Do set up a regular saving program to cover extra things in the future — vacation, car repairs, insurance, etc., so you will have enough cash to pay for them.

Do plan your spending by pay

### Friday night mixed bowling

On Friday, Sept. 25, the Friday Night Bowling League got under way for another season.

As our teams may have to be changed, we will not publish any points yet.

Ted Meades had the high single of 272 and Ray Poste the high triple of 652. For the ladies, Ivy Poste had high single of 248 and high triple of 607.

On Oct. 9, the ladies high single and triple went to Verna Woodbeck with scores of 271 and 708. The men's high single, the first 300 game for this season, went to Ralph Scea with a score of 313, also high triple of 705.

Vacationers and other highway drivers are reminded of the need to break up long motor trips by frequent stops. Get out and move around when you stop, the Ontario Safety League recommends; exercise works wonders to relieve dangerous tension and weariness. When pulling in to a freeway service area, don't park as close to the door as possible, but as far away as possible, to ensure that everybody in the car exercises their legs.

## Nature has a word for it

The wildlife world has given our language many colourful expressions. Among our friends and acquaintances it is likely that we have at least one "wise old owl" or "eager beaver". A note from the Ontario Federation of Naturalists reminds us of a few of them; some of them based on fact, some on fiction.

Is the old owl really wise? The ancient Greeks and Romans thought so and assigned him to his niche of intelligence. "Owls to Athens"

was an earlier form of our "Owls to Newcastle".

Minerva, the Roman goddess of wisdom, often is pictured with an owl perched on her shoulder or hand. The first century Romans considered the owl an omen of misfortune. Its hooting was sufficient reason for deferring the most serious business at hand. An old West Coast Indian legend said that it promised death to those who heard it.

"One swallow doesn't make a summer" is as true a thought today as it was when Aristotle expressed it in the 4th Century B.C. Scholars tell us that his version was "One swallow doesn't make a spring".

"Proud as a peacock" conjures up a strutting bird displaying his finery in an attitude of vanity. Not much is left to the imagination.

"Swan Song" is another expression that comes down to us from antiquity. Socrates wrote of the swans, realizing they were about to die, singing "much more lustily than ever, rejoicing in the thought that they are going to the god they serve". And so we often refer to an entertainer's last performance as his "Swan song".

We are unkind to the ostrich when we speak of it burying its

head in the sand. The closest it comes is to lay its long neck along the ground.

But there is no doubt that "dead as a dodo" is really dead! The dodo was a flightless bird, larger than a turkey, that lived on the Indian Ocean island of Mauritius. It was found there in great numbers but by 1681 had been exterminated by European settlers.

The keen vision of eagles and hawks spots anything that moves, sometimes miles distant. And more than one highly observant teacher has been dubbed "old eagle-eye" by some chastened pupils.

"The eager beaver is well named as anyone will attest who has seen this industrious animal felling trees for his dam. No better symbol could found for a country whose first settlers literally fashioned their homes out of the wilderness.

"The courage of a lion?" Well, we should be a little careful in accepting this as a tribute to our bravery. It is the lioness that is the power behind the throne of the well-publicized "King of the Jungle".

At least, that's what "a little bird told me!"

## ARDA Program Is Explained

One of the objects of the ARDA program of all land types in the province. In 1965 under the Federal-Provincial Rural Development Agreement, the two levels of government joined together to encourage the acquisition of submarginal agricultural lands in Ontario for conversion to forestry and other related uses. Since that project was initiated, some 34,000 acres of these unproductive soils have been acquired by the counties and by conservation authorities in Ontario and converted into reforested areas under the management agreements with the Ontario Department of Lands and Forests.

The new Federal-Provincial Rural Development Agreement (1970-75) also places emphasis on this reforestation aspect of land use in Ontario and the Ontario ARDA administration has been authorized to continue to assist these public agencies in the acquisition of submarginal lands for reforestation purposes. Under the extension announced now, the program will run for three more years, terminating on

March 31, 1974, and will provide for maximum investments of \$160,000 annually for each of the three years. Three-quarters of this land purchase cost will be met by ARDA, and shared equally by the federal and provincial governments.

Specifically, the retirement of submarginal agricultural lands into forestry and related uses serves several purposes:

(a) It will provide an alternative and productive use for land classified as marginal for agricultural purposes by the Canada Land Inventory.

(b) It will provide in the future, ensure a supply of high quality raw material for wood-using industries which provide employment for rural people.

(c) It will help to develop and conserve water, wildlife, and scenic resources which are essential for the maintenance and growth of the tourist and public recreation industry.

The announcement of the

continuation of this federal-provincial shared-cost program was made jointly by Hon. Wm. A. Stewart, Ontario's Minister of Agriculture and Food, and Hon. Jean Marchand, Federal Minister of Regional Economic Expansion. Mr. Stewart elaborated on the importance of the program as follows:

"In the interests of soil and water conservation, submarginal lands should be returned to forest cover. Our county forests committees and our conservation authorities have demonstrated clearly the wisdom of such an approach to resource management. Hundreds of thousands of Ontario

residents are now enjoying the parks and recreational facilities that have been developed in a relatively short period of time by our conservation authorities. By continuing this important reforestation program under the new ARDA agreement we are making a further investment in renewable resources for the future."

## 4-H Club holds meeting

On Sept. 12, 1970 the girls of River Valley met to start another project called, "Working with Wool."

The meeting was opened with the 4-H Pledge led by leaders, Mrs. Irvin and Mrs. Brooks.

Elected officers were Barbara Wilhelm, president; Jean Richardson, treasurer; secretary and press reporter, floating.

The group discussed the characteristics of wool and types of fabrics.

For a demonstration Mrs.

Irvin tested wool. The girls then looked at samples of wool for group work.

The second meeting of the River Valley Fleece was held Sept. 19 at River Valley Women's Institute centre.

The meeting was opened with the 4-H Pledge. The roll call was then answered by five members. Beverley Bush read the minutes of the last meeting.

The discussion was on choosing a pattern and how to get your material ready for cutting.

## Bonarlaw

Friends were sorry to hear of the death of the late Gertrude Campney of Toronto. She was a daughter of the late Mr. and Mrs. Tom Caldwell of Bonarlaw.

The A. C. W. met at the home of Mrs. William Neal on Thursday afternoon. It was decided to hold the bazaar and turkey supper on November 27 and the first card party on October 23.

Mr. and Mrs. Ross Dickie spent the weekend with friends at Brantford.

Mr. and Mrs. William Burkitt visited Mr. and Mrs. Arthur Burkitt Saturday evening. Several from this vicinity attended Tweed fair.

Mr. and Mrs. Russell Heath Rochester and Mr. and Mrs. Mel Heath, Orillia, were weekend guests of Mr. and Mrs. Everett Heath.

Mr. and Mrs. Everett Heath attended the Heath-Heath wedding on Saturday at the Centenary church.

### Public school league bowling

After four weeks of bowling,  
the Public School bowlers,  
ranging in age from 7 to 14 years  
were divided into teams and  
nominations for team captains  
held.

Team 1 - The Champions;  
Pearl Hum.  
Team 2 - The Partridge  
Family; Ricky Clements.  
Team 3 - The Alley Cats; Bill  
Seecley.  
Team 4 - The Great Ones;  
Robby Clements.

The Alley Cats took both  
games from the Partridge Family  
and the Great Ones also got all  
five points from The Champions.  
In both cases, the games were  
close.

#### BANTAMS

(11 years and under)  
Girls' high single and double,  
126 and 228 were bowled by  
Sherry Farrell. High average of  
121 was Jo-Anne Valchier.  
Boys' high single and double,  
Robby Clements, 182 and 285.  
Ricky Clements has high average  
of 144.

#### JUNIORS

(12 to 14 years)  
Girls' high single, double and  
average, Pearl Hum, 175, 347  
and 177.  
Boys' high single, double and

average, Bill Seecley, 191, 369  
and 169.

The Great Ones have room for  
one more bowler if anyone  
would like to come Saturday  
mornings at 9:15.  
Supervisor - Ivy Postle.

### Man Killed

Dominico Amato, 32, Tor-  
onto, was killed on Saturday  
afternoon when the car in  
which he was a passenger  
came into collision with  
another car north bound on  
Highway 14 near Foxboro.

The southbound car was  
driven by his brother, Car-  
mine, 21, who escaped in-  
juries although he was taken to  
Belleville General Hospi-  
tal and later released.

The northbound car was  
driven by Sharon Foster, 23,  
Newcastle, who had a tooth  
knocked out as a result of  
the accident. A passenger in  
her car, Ruby Kelly, Belle-  
ville, was admitted to Belle-  
ville General Hospital with  
internal injuries and is in  
the intensive care unit. Both  
cars were demolished.

### COUNT YOUR BLESSINGS BEFORE IT'S TOO LATE

by Bill Smiley

Thanksgiving, one of our truly  
important holidays, is losing  
much of its religious signifi-  
cance, and becoming more of a  
bachchanalian festival, a last fling  
before melancholy autumn grips us  
in his frosty fingers.

The air - as it was last  
weekend - is more apt to be  
redolent of rye and roast turkey  
than of incense. There are more  
people cussing on the golf course  
than praying on their knees in  
church.

Despite this growing pagan-  
ism, Thanksgiving is about as  
good a time as any for stock-  
taking, and I try to do it every  
year. I hope you do.

The Lord, or whoever looks  
after the weather, nearly always  
seems to feel a bit benign toward  
us poor, forked animals on  
Thanksgiving weekend. Almost  
every year, the holiday is a  
smasheroo of golden sunshine  
and glorious colour.

This is enough to get on your  
knees for. I'm always humbly

thankful that I live in a country  
where the seasons are so sharply  
defined. And I'm always doubly  
thankful that it isn't yet soggy  
November.

Be honest now. What did you  
give for this? This? This? This?  
giving? Or did you just go to a  
family reunion, glut yourself on  
turkey and curse at traffic all the  
way home? Or did you just go  
for a drive in the country and  
burbur over the foliage? Or just  
crowd in a last game of golf or  
sail on the lake? Or just shoot a  
bird or catch a fish? Shame.

We should begin with the  
basics. Just being alive is some-  
thing to be inebriatedly thank-  
ful for. There's not much *joie de  
vivre* in the graveyard. Forget  
that arthritis, that insomnia, that  
pimple on your nose. You'll be a  
long time dead, and you can  
spend all of it whining over your  
physical ailments.

To be sane, or relatively sane  
in a world that seems insane, is  
everyday for which we should  
send up paeans of praise. Think  
of the poor lost creatures over-  
flowing our mental places, and  
thank God you're not among

them.  
Being alive and being sane,  
then. Other basics are shelter  
and food. We don't give them  
much thought in this affluent  
country. Almost nobody in this  
land is without shelter, be it ever  
so humble. And nobody is  
starving, be it ever so hungry,  
unless he's plain stupid.

The worst Thanksgiving I ever  
spent was in October, 1944. I  
didn't even think of Thanks-  
giving at the time. I had just  
received a thorough going-over  
for attempting to escape from  
the Germans. My nose pointed  
one way and one of my legs the  
other. My hands and feet were  
tied. It was very cold and there  
were no blankets. Food was four  
slices of bread a day.

But, looking back, I realize I  
had lots to be thankful for. I had  
the roof of a box-car overhead  
to keep out the rain (until a  
night-fighter shot some holes in  
it). I had enough food to stay  
alive (and no steak has ever been  
as delicious as that black bread).  
And I was alive, young, bloody  
but unbowed. I should have  
been singing "Bringing in the  
Sheaves."

What else should we be  
thankful for? Certainly not the  
new car, the new boat, the new  
snowmobile, the finer house.  
These are trivia that we can't  
take with us.

Definitely, we should be  
thankful for our children, how-  
ever much pain they have caused  
us. We can't take them with us  
either, but we can leave them,  
and their children, and so on, as  
testimony that we once lived  
and loved.

We should be deeply grateful  
that we live in a land where  
hated and violence and preju-  
dice are frowned upon, rather  
than accepted as part of daily  
life.

We should be thankful, fer-  
vently, for real friends and good  
neighbours. Not the type who  
pry and are delighted when  
something is wrong, but the  
stalwarts, who rally round and  
give comfort when things are  
black, or blue.

Perhaps I sound like a Polly-  
anna. But you just try it. My  
wife has burned the stew and is  
snarly. The bills are piling in. I  
have a carbuncle in an extremely  
embarrassing and painful place.  
But after counting my blessings,  
I know I'll be humble and  
grateful. For at least three days.

The Argyle Syndicate

## WEEKLY REPORT

FROM

## FOXBORO DISTRICT

(BY JACK WOOD)

Lead Feeding or Chal-  
lenge Feeding are terms that  
are used to identify a pro-  
gram of high grain feeding  
just prior to, and after cal-  
ving. While this program  
should not be considered as  
an answer to all problems,  
the nutrition of the dairy cow  
during this period is most  
critical, and careful atten-  
tion must be paid to feeding  
techniques at such time.

Up until a few years ago,  
dairy feeding authorities  
were unanimous in recom-  
mending that grain feeding be  
drastically reduced during  
the last week before calving,  
and that the allowance of  
grain be kept at a low level  
during the first two weeks  
after freshening. The new  
concept of dairy cattle feed-  
ing is to feed higher grain  
levels prior to calving, and  
following calving, the cows  
are brought on full feed as  
fast as they can handle it,  
until they peak in production,  
or until they reach their max-  
imum response.

There are several differ-  
ent challenge, or lead feed-  
ing methods being recom-  
mended at the present time.  
I recommend that you start  
to feed the cow heavily, ap-  
proximately 14 days prior to  
calving, bringing her up to a  
minimum feeding level of  
14 to 16 lbs. of grain before  
calving. Some larger cows

will consume more.

After calving, maintain  
this level for two or three  
days to make sure the cow  
is healthy, then increase the  
feeding rate as rapidly as  
possible, as long as the cow  
responds with increased pro-  
duction. When the cow peaks  
in production, maintain this  
feeding level for a 2  
week period, at which time  
reduce the feed intake to the  
most profitable feeding rate.  
During this period the cow  
should have access to forage  
on a free choice basis.

## Premier Robarts at OSD function

Premier John Robarts will  
light a 16-foot electric birthday  
cake at the Ontario School for  
the Deaf in Belleville on October  
20 to mark the school's 100th  
birthday.

Joining Premier Robarts in the  
official celebrations will be  
Lieutenant Governor W. Ross  
Macdonald, Minister of  
Education William G. Davis and  
Minister of Public Works, John  
R. Simnett.

The Belleville school is the  
oldest of the three special  
schools operated by the Ontario  
Department of Education.

The four dignitaries will join  
the students at a birthday  
luncheon, tour classes and then,  
at official ceremonies, Premier  
Robarts will cut a real cake and  
throw a switch that will light a  
16-foot cake decorated by 100  
electric candles.

JAMES ST. BRIDGE AND RAWDON CREEK IN STIRLING

## Carmel

Friends and neighbors gathered at the Community Hall on Tuesday evening to honor Mr. and Mrs. Wayne Fraser (nee Diane Palmer) on their recent marriage.

Douglas Pyear was chairman and led in group singing. Mrs. George Grills and Maryanne Grills gave readings. Joanne and Barbara Hearn sang a duet. Mrs. Harry Brown and Ron White rendered instrumental music on piano, bongos and sticks.

Leslie Pyear read an address signed by Keith Grills, Dennis Grills, Leslie Pyear and Mike Finnegan and presented a purse of money. Wayne expressed appreciation for the evening in their honor and invited everyone to visit them in their apartment in Trenton. Lunch was served.

Carmel Unit, U.C.W. met at the home of Mrs. Ron White on Thursday afternoon with an

attendance of 14. Mrs. Ray Keating chaired the meeting for the Thanksgiving program. Mrs. Ron White and Mrs. Clifford Hubble gave the devotional, with suitable hymns.

Members reported 12 hospital calls and several house calls. Mrs. Bob Hearn conducted a skit "The First Thanksgiving" with ladies representing Peace, Mercy, Jonathon and Patricia. Mrs.

Retta Grills gave a reading, after which lunch was served and a social time enjoyed.

## Newlyweds are honored

On Friday evening, Mr. and Mrs. Larry Rose (nee Marie Lake), were honored by a community shower held in the I.O.O.F. Hall, Stirling.

Dr. R. B. Murray was Master of Ceremonies with Mrs. Murray at the piano and Mrs. J. Sutherland leading the singing of favorite songs. Several readings were given. Films of the wedding were shown by Boyd Ford and Don Miller.

An address was read by Carol

McGee and Glen Mastin and John McGee presented the couple with a combination telephone chair and table, and a coffee table.

The newlyweds expressed thanks for their gifts and invited all to Madoc to visit them.

Previous to the wedding, the bride was tendered a miscellaneous shower by the Richardson sisters in River Valley.

Mr. and Mrs. Harry Lott, Whitby. Mrs. Earl Judge, Oshawa. Mrs. Garnie Heath of Trent River and Mrs. Irene Hamilton, Havelock, were guests of Mr. and Mrs. Bill Prest on Wednesday.

Mr. and Mrs. Gordon Bateman, Foxboro. Mr. and Mrs. Vanwart, Peterborough, were guests of Mr. and Mrs. Ed Bateman on Sunday.

Mr. and Mrs. Malcolm Mason spent the weekend at Lake St. Peter.

Mrs. Fred McKeown was an overnight guest of Mr. and Mrs. Les. McKeown and Robin at Marmora on Monday.

Mr. and Mrs. Terry Hutcheon

and children of Ottawa visited Mrs. Myrtle Cassidy on the weekend.

Mr. and Mrs. Garnet Forsyth, Peterborough and Mr. and Mrs. Fred Thoms of Warsaw were guests of Mr. and Mrs. Emerson Reid on Sunday.

Mr. and Mrs. Wilbert Petterson and baby daughter of Marmora have taken up residence in our village.

Mr. and Mrs. Lynn Mason, Scarborough, were overnight guests of Mr. and Mrs. Malcolm Mason on Monday.

Mr. and Mrs. Andy Priola, North Bay, spent a few days last week with Mrs. Myrtle Cassidy and called on other relatives.

# Concerned about the cost of prescriptions?

... your Ontario  
Government is ...  
and is doing  
something about it.

Everyone concerned about the cost of prescriptions finds the whole thing quite mystifying.

Drug manufacturers' prices vary. Pharmacies' dispensing fees vary. Doctors prescribe, but don't always know about prices. The result is that you the patient, have no way of knowing if your drug bill is reasonable or not.

Now the mysticism is being removed.

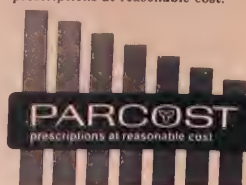

For many months the Ontario Department of Health has been working on a program that will help everybody in Ontario to obtain prescriptions at reasonable cost. ... "PARCOST".

The key is a book that has been supplied for the professional use of every physician, dentist, hospital and pharmacist in the province. Titled the Comparative Drug Index, it lists many of the high quality drugs now available. And it tells how much each one costs.

For the first time, this revealing information has been assembled in one book, compiled by an authoritative group of doctors and experts who have evaluated, without bias, quality products from over 60 different companies. And it makes possible, quick easy cost comparisons of drugs that meet highest quality standards, enabling your doctor and your pharmacist to take active parts in the PARCOST program.

Also, your Ontario Government has obtained the co-operation of participating pharmacists in agreeing to standardized pricing methods.

Everyone can help make the PARCOST program work. Discuss it with your doctor or pharmacist. And when you have a prescription to be filled, look for the PARCOST symbol at the drug store. Displayed on the door or window, it tells you that the pharmacist is co-operating to help you obtain prescriptions at reasonable cost.

Ontario Department of Health

The Hon. Thomas L. Wells, Minister

Department of Lands and Forests

## Minto

Victor Ostrander returned home from Princess Margaret Hospital on Friday.

Miss Mary Stiles of Frankford spent Wednesday with Mr. and Mrs. Lindsay Tanner.

Mr. and Mrs. Frank McGee accompanied Mr. and Mrs. Allan Sine and Colleen of Stirling to Toronto and spent the Thanksgiving weekend with Mr. and Mrs. Dick Goldthorpe.

Miss Jane Clements of Lively and Mr. Art Evans of Toronto spent Thanksgiving weekend with Mr. and Mrs. Tom Clements.

Mr. and Mrs. Ray Harris were dinner guests of Mr. and Mrs. Lindsay Tanner on Sunday.

Mrs. Marguerite Keller and Bill were Thanksgiving dinner guests of Mr. and Mrs. Don Keller of Belleville on Sunday.

Klinton Ketchen of University of Waterloo spent Thanksgiving weekend with his parents, Mr. and Mrs. Earl Ketchen.

Mr. and Mrs. Lorne Ray and family of Belleville spent Sunday with Mrs. Mabel Ray.

The first card party, sponsored by Tanner LOL, was held Friday night with ten tables in play. The winners were Kathy Ketchen, ladies high; Mrs. Wighman, ladies second; Tom Grills, mens high; Arthur Hagerman, mens second; and the door prize was won by Mrs. Leah Downey. Following cards lunch was served.

St. Thomas ACW held a quilting at the home of Miss Edna Tanner on Tuesday afternoon.

Mr. and Mrs. Carman Redden and Mr. and Mrs. B. Biddell of Stanwood spent Thursday afternoon with Mrs. Marguerite Keller.

Mr. and Mrs. Walter Breach of Peterborough spent Sunday afternoon with Mr. and Mrs. Lindsay Tanner.

Mr. and Mrs. Mel Wickens and Cathy were guests at the Hall-Belcour wedding in College Hill United Church on Saturday.

Mr. and Mrs. John Myall and girls of Peterborough visited Mr. and Mrs. Ed Colleen on Saturday.

Farmers in the United States today produce nearly three times as much per man-hour of work as in 1950 and over six times as much as in 1930, according to New Holland Division of Sperry Rand.

## Thanksgiving theme of women's meeting

The Presbyterian Church Women held their meeting at the church on Thursday, October 8. Mrs. D. Fargy, president, welcomed everyone. A hymn was sung, followed by prayer by Mrs. Fargy.

Mrs. J. Johnston received the offering which was dedicated by Miss Gena Spry.

Fourteen ladies answered the roll call, a Bible verse containing the word "Harvest".

The minutes and correspondence were read by the secretary, Mrs. K. Tompkins, including the fall executive meeting of Kingston Presbyterian, W.M.S. at Kossin on November 4. Also other invitations and thank you notes were read.

A donation was made to the Canadian National Institute for the Blind. A supply of clothing had been forwarded to the United Church cupboard.

Mrs. Earl Fox was in charge of the devotional part of the program. She spoke of "Thanksgiving", stressing that thanks was not for just one time of year, but every day, also how thankful people were today for the many things they have.

Mrs. Fox gave Biblical

## Double shower held at Ivanhoe

A large number of ladies gathered at Ivanhoe Town Hall on Friday evening to honour Mrs. Kenneth Shannon, Read, whose marriage took place September 5; and Miss Gwen MacMillan, bride-elect of this month.

Miss Norma Stephens acted as M.C. for the following program: Community singing led by Mrs. Jack Wood, with Mrs. Reg. Haggerty at the piano. Misses Elizabeth and Marie Kerby sang several selections.

Readings were given by Miss Frances Prest and Mrs. Russell Sills.

Games were arranged by Mrs. William Donnan including an auction sale conducted by Mrs. Barton Haggerty.

A number of pieces of cookware were presented to the honoured guests. Following suitable replies, all joined in singing "My Best To You."

A bride's book was given to Mrs. Shannon, presented by Gloria MacMillan; to Gwen by Vera Wickens.

A delicious buffet lunch was served.

Both Loraine and Gwen graduated from Madoc High School where they had excellent academic records. Loraine is a graduate of the General Hospital, Belleville and Gwen is a graduate of Kingston General Hospital school of nursing.

FOURTH LARGEST  
Madagascar is the fourth largest island in the world.

references to being thankful as Jesus giving thanks just before his crucifixion. One thing particularly mentioned was water - how necessary it is but how we just take it for granted. Mrs. Fox read a poem and completed the devotional with prayer.

Mrs. Roy Eggleton spoke on harvest in reference to Thanksgiving time. She made reference to Psalm 145: 9 and 16; Psalm 65: 11. She referred to the changing of seasons, bringing us to harvest time and Thanksgiving. God built the great structure of life on harvest fields. We do not only depend on the harvest of our own country to exist, but the harvest of all countries.

Mrs. Eggleton also stressed the abundance we realize compared to the poverty of others. Thanks should be much more than just a formality at this time of year; it should be dwelt on similarly all through the year. Present science teachings tend to make people less thankful to God, but behind every scientific discovery there are things men cannot answer. A man can plant but cannot make grow. He does not control rain, sun and many other necessities to growth. These blessings are given by God, so impartial, for the just, the unjust, for good or evil. We, as either givers or receivers, can find so much happiness in this God-given world. Mrs. Eggleton closed this very effective topic with prayer.

Everyone repeated the Mizpah Benediction. Refreshments were served. Mrs. Gladys Matthews thanked everyone for helping with the day's proceedings.

## Committees must be fed

Election times are busy times, both for the candidate and his volunteers. Days are filled with meetings, campaign speeches, and numerous other activities which go hand in hand with an election.

Your candidate will often have a group of people over to his home to discuss various topics of interest. While your better-half is busy, what better way to contribute to the campaign than by doing what you are best at - cooking. For the hungry campaign workers, you could prepare a plateful of sandwiches featuring one filled with a chicken salad mixture which will provide them with the energy they are going to need to furnish fresh ideas. Along with the sandwiches, serve tomato slices, carrot sticks and radishes. And, as a refreshing pick-me-up, have minted iced tea or hot chocolate as your beverage.

Even if your husband doesn't win, you will gain a vote of confidence for the tasty snack you prepared.

## Chicken Salad-Bacon Rolls

1/2 cup chopped, cooked chicken  
1/4 cup finely chopped celery  
2 teaspoons lemon juice  
1/4 cup grated process cheese  
8 finger rolls  
6 slices bacon  
Combine chicken, celery, lemon juice and grated cheese. Slice rolls lengthwise. Spread about 2 table-

spoons chicken mixture between halves of each roll. Wrap a bacon slice around each roll, fastening it with toothpicks. Place rolls on a wire cake rack, set inside a shallow baking pan. Grill rolls, turning often, until bacon is crisp and rolls are heated.  
Yield: 6 Chicken Salad-Bacon Rolls

Bus drivers, being human, are less safe if irritated or otherwise disturbed. But unlike private motorists, their responsibility includes the immediate safety of as many as 60 people. The Ontario Safety League asks all automobile drivers to show extra consideration towards public transportation vehicles. Passengers can also help in many ways to ensure the smooth, safe operation of buses and street cars.

## Concert pianist coming to area

An outstanding musical treat is in store for the residents of this area when Madame Aline Van Barentzen returns to Belleville October 19, at Centennial Secondary School. Madame Van Barentzen is an internationally renowned concert pianist who has made over 2,000 concert appearances, in recital, with orchestra, and on radio and television in all the major centres of Europe, North and South America and North and South Africa.

Madame Van Barentzen has chosen to play for this concert Beethoven's "Sonata Appassionata", one of the most formidable and popular of his thirty-two piano sonatas.

## Ivanhoe

Mr. and Mrs. Leslie Adams spent the weekend with Mr. and Mrs. Gerald Bateman, Embro. Mr. and Mrs. John Willows, St. Pauls, spent the weekend with Mr. and Mrs. John Wood. Mr. and Mrs. David McMaster and Jill spent the weekend with Rev. and Mrs. Jas. Cullen, Northport.

## IN MEMORIAM

BARLOW-In loving memory of a dear husband father and grandfather. Morley Barlow who passed away October 13 1967. To the world he is gone for ever. To us who loved him and lost him. His memory forever will last. Lovingly remembered by wife, children, and grandchildren. 39-1p

BIRTH ANNOUNCEMENT FINCH-Gordon and Helene (nee O'Shea) are happy to announce the arrival of their daughter Lisa Jo-Anne on Oct. 3, 1970 at Victoria Hospital, London. A sister for Kelly and Colleen. 39-1

CARD OF THANKS WE WOULD LIKE TO THANK the friends and neighbors of Mount Pleasant community for the shower given us and to thank all who took part in the program and helped in any way to make it a most enjoyable evening. We thank you for the gift of money and plan to use it toward the purchase of a chair. Thanks also to the U.C.W. for the lovely plate. Nancy and Don Ladner. 39-1

SINCERE THANKS TO THE communities of Carmel, Hoard's Station and Mount Pleasant for a very enjoyable shower, best wishes and gifts and a special thank you to those who helped in organizing it. Gleen and Suzanne (nee Bailey) Humphreys. 39-1

We wish to thank our friends, relatives and neighbors, also Rev. Savage and all who helped us in our time of sorrow in the loss of a loving father. The Gulliver family. 39-1

Kenneth and I would like to thank our friends, neighbors and relatives for their many acts of kindness during my stay in St. Michael's Hospital and since my return home. To Mr. Pleasant U.C.W. for their gift and for telephone calls, cards and baking, we extend our sincere appreciation. Ferne Weaver. 39-1p

## Local and Personal

Mr. and Mrs. Carl Priebe and Elizabeth and Mr. and Mrs. Robert Eggleton, Chris and Tricia of Toronto spent the weekend and Thanksgiving with their parents Mr. and Mrs. Ray Eggleton.

Mrs. Charles Ross reported that she had picked some strawberries, which are normally in season in June, last week. She added that there are still a few ripening on

the bush. She felt that the recent mild weather and rains attributed to the strawberries growing at this time of year.

Mr. and Mrs. J. G. Beatty, Barbara and Mary of Toronto spent Thanksgiving weekend with Mrs. Hugh Morton.

Misses Laurie and Mary Donnon of Clarkson spent Thanksgiving with their grandmother, Mrs. Ray Armstrong.

strong. Mrs. Ray Armstrong is spending a few days this week with Mr. and Mrs. B. Donnon and family at Clarkson.

Mr. and Mrs. Robert Jones of Toronto were weekend holiday guests of Mr. G. W. Jones and Mrs. Thelma Tulloch.

Mr. and Mrs. Ellis Jones of Rylstone were Sunday visitors of Mrs. G. W. Jones and Mrs. Thelma Tulloch. Mrs. Annie Searles, Belleville, spent the Thanksgiving holiday visiting her son, Mr. and Mrs. Garnet Searles, Oak Lake, and friends in the vicinity.

Mr. and Mrs. Clinton Dalmon of Regina, Sask., spent a few days last week with their cousins Mr. and Mrs. Dick Hewton of Stirling.

Mr. and Mrs. C. B. Allen of Annapolis Royal, N. S., are visiting Mrs. S. J. Elliott Stirling.

Mr. and Mrs. Jesse Barlow, Lois and Sharon, and Mr. and Mrs. Douglas Clancy and Ronald, and Mr. and Mrs. Warner McFaul, were Sunday dinner guests of Mrs. J. M. Barlow.

Mr. and Mrs. Gerald Richardson of River Valley and Mr. and Mrs. Gunter Wuster and family of Batawa had Thanksgiving dinner with Mrs. Anne Ackers, 18 Victoria St.

Weekend guests of Mr. and Mrs. Claude Tucker were Mr. and Mrs. Sandy Wilson of Sudbury, Mr. and Mrs. Carman Frost, Frankford, and Mrs. A. E. Caskey of Frankford.

Weekend guests of Mr. and Mrs. Clarence McKeown, Bonarlaw, were Mr. and Mrs. Norman Cazola, Windsor, Mr. and Mrs. John S. McKeown and Rodney, Springbrook, and Mr. and Mrs. Ronald Stewart, Peterborough.

Miss Maria Heasman has returned from a visit to Germany, Switzerland and Holland. During the trip, she visited a former Stirling girl, Linda (nee Wagner) at Lahr, Germany.

## Welcome couple to Frankford

On Wednesday evening, Oct. 7, Mr. and Mrs. Jas. Palmer, Mrs. R. Bastedo and Mrs. William Robb called on Mr. and Mrs. Arthur Hulin at their new home in Frankford, on behalf of friends and neighbors on Church Street. They presented Mr. and Mrs. Hulin with a purse of money as a token of their friendship over the years.

Mrs. Hulin had lived in Stirling continuously since 1889, coming to Stirling as a child. She was the daughter of Mr. and Mrs. John W. Alcombrack and came to Stirling when they sold their farm at West Huntingdon.

Mr. Hulin, son of Mr. and Mrs. Wilson Hulin came to Stirling in 1901 from Ormsby, Ont.

The gift was very timely as it also came on the day before Mrs. Hulin's 85th birthday. They were both very much surprised but very, very pleased that their friends had remembered them at this time, and would like to say to each and every one a sincere thank you.

## Mount Pleasant

Mrs. Marguerite McMullen entertained to dinner on Sunday, October 4th, Mr. and Mrs. Jay Easton, Jeffrey and Kim of Belleville.

Mr. and Mrs. Milton Shaw were guests of Mr. and Mrs. Charles Thrasher, Belleville, on Sunday, October 4th.

Mrs. Norman Parker is a patient in Trenton Memorial Hospital following surgery.

Mr. and Mrs. Carman Reid and Joyce, Kingston, spent Thanksgiving with her parents, Mr. and Mrs. Sid Williams.

Mrs. Howard Hutecheon is a patient in Belleville General Hospital, following surgery.

Miss Cheryl Nelson spent a few days with her grandparents, Mr. and Mrs. Harry McAdam.

Mr. and Mrs. Robert L. Hoard and family spent Thanksgiving with her parents, Mr. and Mrs. Charles Tamlin at Cambray.

Miss Carolyn Merrick, who is taking a dental assistant's course at St. Clair College, Windsor, spent the holiday with her parents, Mr. and Mrs. Robert Merrick.

On Saturday evening, Oct. 10, this area was without lights and in some cases, heat, owing to Hydro trouble. Mrs. Gordon Isnor and Mrs. William Moore of Halifax, Nova Scotia, are holidaying with Mr. and Mrs. Murray Isnor of Pump Street.

Mr. and Mrs. James Holmes, Toronto, spent the holiday with his brother and sister, John Holmes and Miss Annie Holmes. On Sunday Mr. Kenneth Holmes, Madoc, visited at the same home.

Ernest White, who recently observed his 88th birthday anniversary, died at his home on Saturday afternoon, Oct. 10.

Mr. and Mrs. Neil Tiford, Burlington spent the weekend with her parents, Mr. and Mrs. Harry McAdam. The Sunday guests included Mr. and Mrs. Fred McAdam and Lewis Davin of Belleville.

Several relatives from Windsor, Stirling, and other points also friends from the Carmel community and the Hoards area attended the double shower in Mount Pleasant Church hall on Saturday evening.

Mr. and Mrs. Percy MacMullen were guests on Thanksgiving Sunday at the home of Mr. and Mrs. Sid

Demorest, Marmora on the occasion of Sid's birthday.

Mount Pleasant United Church was a bower of beauty on Sunday morning for the Thanksgiving service. Mrs. Donald Knight and Mrs. Oscar Merrick used autumn flowers, vegetables and gourds for decoration. The window sills were very pretty and there was a large bank of flowers arranged at the front of the edifice. The Junior Choir sang and the hymns were centred on Thanksgiving. Rev. M. C. Cox gave the message. Several visitors were in attendance for the service.

## DOUBLE SHOWER

On Saturday evening, Oct. 10, a double shower was held in Mount Pleasant Church hall in honor of Mr. and Mrs. G. D. Humphreys (nee Suzanne Bailey) of Sault Ste. Marie and Mr. and Mrs. Donald Lader (nee Nancy Johnson), Mississauga.

Due to Hydro interference the first half of the evening was spent with candlelight.

Rev. W. C. Cox was master of ceremonies for a short program. Piano solos were played by Cathy Grills and Gail Merrick.

Selections were read by Mrs. Ross Jeffs, Mrs. Milford Wrightman, Mrs. Joe Grills, Mrs. Vernon Harry and Mrs. Clayton Thompson.

Vocal selections were given by Lynn Joslin with her mother as accompanist and by Joanne Scott, Foxboro.

Mr. and Mrs. N. Chajowski, Windsor, contributed a vocal duet, and she also accompanied Joanne. Mrs. Robert H. Hoard conducted the sing song with Miss Brenda Williams as accompanist.

The newlyweds were given seats of honor. Mrs. Burton Sharpe read an address to Donald and Nancy Lader and presented them with a gift of money.

Miss Carolyn Merrick read the address to Glen and Suzanne Humphreys and presented their money gift.

The UCV presented each couple with a church plate. The recipients voiced appreciative thanks and the committee in charge served refreshments.

The Ladners were guests of her parents, Mr. and Mrs. Donald Johnson and the Humphreys spent the weekend with her parents, Mr. and Mrs. Archie Bailey.

## Good Tidings WMC holds fall meeting

On Thursday, Oct. 1, the first fall meeting of Good Tidings W. M. C. was held at the home of Mrs. Lorne McInroy.

President Mrs. Melville Donnan welcomed each one and Mrs. Clifford Elliott opened in prayer.

Mrs. Lee Smith led in singing of choruses.

The pastor's wife, Mrs. Edward MacDonald, brought the message of the evening dealing with fellowship with all Christians and the love of Christ which is the mutual bond that binds and makes us all one in Him.

Mrs. Lee Smith read a portion from the testimony on Frohisher Bay which was our missionary study.

Mrs. Lorne McInroy read a poem, Too Big.

## Wellman's Corners

Mr. and Mrs. Bob Clarke and Shawn of Toronto, Mr. and Mrs. Bruce Beckett and Scott of London, visited during the past week with Mr. and Mrs. Fred Beckett and Dawn.

Mr. and Mrs. Ken Thompson of Springbrook were supper guests on Wednesday of Mrs. Victor Graham and Eleanor.

Mrs. Rose Third of Campbellford and Mr. Will Wallace of Toronto visited on Wednesday with Mrs. Charles Dunham.

Miss Freda Graham of Toronto spent the weekend with Mrs. Victor Graham and Eleanor.

Mr. and Mrs. Don Maybee of Toronto were supper guests on Sunday of Mr. and Mrs. Everett Maybee.

Mr. and Mrs. Edgar Graham and family of Oshawa and Mr. and Mrs. Glenn Graham and Vicky of Belleville were supper guests on Sunday of Mrs. Victor Graham, Eleanor and Freda.

Mr. and Mrs. Jack Sharp and family were supper guests on Monday of Mr. and Mrs. Harry Keating of Marmora.

World agricultural production increased about three per cent in 1968. The rise in the United States was just under two per cent.

Milk production in the United States in 1969 totalled 116.2 billion pounds, about one per cent less than in 1968.

## Rylstone WI

with headquarters in Cobourg. She was introduced by Mrs. Ernest Irwin and was thanked by Mrs. Percy Reid.

Mrs. Ellis Jones gave a piano solo "Mother Machree" and read.

"Bless This House", closing with The Queen. Lunch was served by the hostesses and humorous verse from the travelling apron were read.

## Conservation Authority gearing for action

The Lower Trent Region Conservation Authority is now in its third year of operation, but up until now has been strictly a formative period, during which time advisory boards were set up, terms of reference were adopted for these boards, and now the authority is on the threshold of a year of much accomplishment.

During the past two years the department of energy and resources management has been compiling a survey report of the lower Trent watershed which comprises the lower part of the Trent River watershed and the watersheds of the smaller streams entering the Bay of Quinte and Lake Ontario from the west boundary of the Meyers Creek

watershed (just east of Trenton) to the west boundary of the Township of Haldimand.

During the short time of operation this authority has established a wild life management area, planted trees, obtained options on several properties for acquisition, two of which are in the process of being finalized. A clean-up of the Trent River was started in May of this year, which will continue in May of 1971, an educational program for the youth as well as for the adults has been prepared and will shortly be in operation, and a program for water control is nearing completion. In addition to the foregoing, a clean-up day has been announced for the

31st of October next.

The authority has acquired a strip of land on the east side of the Trent River. An area immediately south of the Glen Miller bridge has been designated as a recreation area and will be cleaned up on Saturday the 31st. Through the co-operation of Clarence Whitman, the district scout commissioner, a large number of scouts and rovers will turn out to assist.

The chairman of the authority, C. G. MacDonald is appealing to all citizens to volunteer their services for this day. The clean-up will commence at 9 a.m., and if and have conservation at heart, this is your opportunity to do your bit. Funds have been provided in the 1971 budget for this area, and it is planned to have picnic tables, toilets, a boat launching ramp, and other facilities to make another area for families to enjoy.

The Ontario Federation of Labour in conjunction with colleges in the province are conducting a seminar on Saturday, October 17th. Loyalist College, Belleville, are hosting for this area. Registration is at 9:30 a.m. and discussions will be conducted on many phases of pollution, including air management, water control, solid wastes, garbage dumps, just to name a few. The seminar will continue through the day until about 4 p.m.

Following a dinner, an address was read to her parents by Anne, and a vocal solo, "Bless This House", was sung by June. An appropriate duet, "My Best to You", was sung by Mrs. Gordon Foster and Mrs. Fred Beckett. The honored couple received many beautiful gifts to commemorate their silver wedding anniversary. Both Ann and Lorne expressed sincere appreciation to everyone.

Congratulatory messages were received from Mr. and Mrs. Ward English and family of London, Ont., and Mr. and Mrs. John Murphy and family of Vancouver, B.C., all of whom were unable to be present.

## Couple celebrate silver anniversary

On Saturday evening, October 17, a surprise dinner party was held at the home of Mr. and Mrs. Craig Watson and Jim in honor of Mr. and Mrs. Lorne Watson's 25th wedding anniversary.

Guests included Mr. and Mrs. Lorne Watson, Anne and June; Matthew English, Tweed; Mr. and Mrs. Morton English, Toronto; Mrs. Laid English, Toronto; Mr. and Mrs. Norman Allan, Buffalo; Mr. and Mrs. Leslie Thompson; Mr. and Mrs. Murney Johnston; Mr. and Mrs. Glenn Watson, Lynn and Brenda, Belleville; Mr. and Mrs. Gordon Foster, Moira; Mr. and Mrs. Fred Beckett and Mr. and Mrs. Donald Walker.

## Businessman seeks tax cut

Village council Monday night turned down a request from a Stirling businessman to pass a bylaw to assist him in having the assessment lowered on three properties.

In a letter to council, G. H. Hogle, funeral director, cited a section of the Municipal Act under which the municipality could act to allow him to get his case before the Assessment Review Court.

Mr. Hogle claimed that re-assessment has resulted in an undue and burdensome load of taxation on the funeral home property as well as on two other

properties he owns.

He asked council to pass a bylaw, under the terms of Section 76, which would set a maximum on the amount of assessment reduction which would be allowed. The matter would then go before an Assessment Review Court.

After considerable discussion, Reeve Donald Rodgers drafted a letter as follows, which was concurred in by the other members of council present:

"Council was informed, shortly after its enactment, of the provisions of Section 76 (1) (9) and Section 76 (7a)

"It should be pointed out these sections present serious implications for a municipality inasmuch as it is the feeling of council that any relief allowed under these sections should be applicable to all residents in the municipality.

"This Act was passed after the rates were struck for the village and the tax bills mailed out for 1970.

"It would impose on the village considerable expense to re-appraise all rates for 1970. And, unless new tax bills were prepared for all individuals

which have the effect of raising approximately 50 per cent of the taxes while lowering the other 50 per cent, the only other course available to council is to pick up the reductions from the general rate. This would mean the municipality would have an operating deficit for the year.

"Consequently, for this year, at least, it is the feeling of council that any relief by taxpayers should be sought through the proper channel of appeals. Of these, you are no doubt aware."

## Man finds 1834 deed

A Stirling area man has come into possession of an old deed which is sure to become a family keepsake.

James Lake, R.R. 3 Stirling, has a Province of Upper Canada deed issued to "James Lake of the Township of Sidney in the County of Hastings in the Midland District, Yeoman, as the son of the late Nicholas Lake, a United Empire Loyalist."

Mr. Lake has been doing some research, in an effort to find out the identity of the James Lake named in the deed which is dated Sept. 6, 1834.

## Hunters bag three moose

Six Stirling hunters returned last week with three moose they bagged on a six-day hunting trip to Northern Ontario. Their trophies included a bull, a cow and a calf.

Included in the hunting party were Reeve Donald Rodgers, Councillor Claude Trumble, Kenneth Sine, Jack Wallace and William Bittle.

The hunt took place 250 miles northwest of Sudbury.

## LEGION NOTES

First frost hit us Saturday morning and yet what a lovely day it was. Reminds us of a cold November Saturday, 30 years ago, with snow when we stood with bowed heads and bare heads to say a prayer for fallen comrades - "In Memoriam".

In just three weeks, our National Poppy Week from Nov. 5 to Nov. 11 begins. In the interim, a group of local Legion members will solicit the town's businesses and industry for support in the campaign to help relieve distress among ex-servicemen and their dependents.

## Community school activities to begin here next week

At the Community School Association meeting of Tuesday, October 13, dates were set up for organizational meetings of several activities.

Persons who have previously indicated an interest in woodworking, sheet metal, sewing, teenage sports and adult sports will be contacted individually as to the date and time of these meetings.

Tentative dates and times of these meetings are:

Sewing, 7:30 p.m., Monday, Oct. 26;

Woodwork, 7:30 p.m., Tuesday, Oct. 27;

Adult Sports, 7:30 p.m., Wednesday, Oct. 28;

Teenage Sports, 7:30 p.m., Thursday, Oct. 29.

If you are interested in participating in any of these community activities, come to the school at the time and date given above.

## Along came In-Flu-Enza

The world series didn't keep all the Senior Citizens home on Thursday, for about thirty were present and by the sound of the clatter really enjoyed their games.

President Fred Heasman said, "I'd sooner have my opponent's luck than a licence to steal".

We welcomed one visitor, Kate Donohoe, one of River Valley's most popular girls. Keep coming Kate we like you.

Martha Wood and Fanny Kane dished up a lunch and Ada Bush and John Kane assisted in serving it.

Next Thursday the St. Paul's Hi-C have invited us to a pot luck supper. The time is 6:30. This is an active group of local youth and their kindness is appreciated.

"What's the matter Bill?" asked a sympathetic clerk, "you fighting a cold?" "Yeah" said Bill. The clerk shook his head. "Too bad you don't have Pneumonia," he said, "They know what to do for that". He opened the door and in-flu-Enza, dis ole Scribe

## Swap dishes for hall use

Village council Monday night accepted a proposal by the Stirling Women's Institute that dishes and cutlery in the Community Hall be turned over to the municipality in return for free use of the hall by the institute.

A motion was passed by Stirling council, accepting the offer put forward by Mrs. Everett Cooke, president, and Mrs. Clifford Clancy, secretary of the Stirling W. I.

The agreement will come up for renewal after 10 years.

Councillor Fred Brandt said he felt the institute's proposal was "quite reasonable" and Reeve Donald Rodgers agreed that it was in line with council's earlier thinking.

## REFLECTIONS

A visit to the municipal lagoons in Stirling was a part of the schedule of a weekend workshop for Quinte area Girl Guide leaders held here. News-Argus Photo.

## 30 Girl Guide leaders attend workshop here

The community school concept was expanded this last weekend when 30 Girl Guide leaders converged on Stirling Senior Public School.

The women arrived on Friday evening to attend the two-day

concluding session of the outdoor workshop held in the Quinte area.

The leaders slept on the floor in a lunch room at the school and had their meals in the Home Economics room.

The workshop's purpose was to study the ecology of this area and to learn something of the interrelationship of man and nature.

This course opened Friday evening with films on wildlife, chemical and natural control of insects and the effects of pollution on man and the environment.

Saturday morning, before breakfast, the group went bird watching. The birds were smarter and most were still in their cozy nests that chilly morning.

A tour of the Belleville Entomological Laboratory followed and Dr. C. E. Osipow explained the research being done in the control of crop and tree-destroying insects.

Back to Stirling for a delicious lunch provided by the St. John's Church women and then off on a bus tour of the area to observe and study the geology and plant forms. Edmund Fleming explained the action of the glaciers in forming the Oak Hills and pointed out the differences in vegetation and land between the valley at 400 feet above sea level and the hill at 700 feet above sea level.

(Continued on Page 2)

## County planning board inaugurated

Following official approval by the Minister of Municipal Affairs, the inaugural meeting of the Hastings County Planning Board was held on October 13. This Board has been charged with the responsibility for the complete Planning Program in all municipalities in the County of Hastings except the Townships of Sidney and Thurlow and the Villages of Frankford and Stirling.

William Shannon, Reeve of the Village of Marmora, past Warden of the County of Hastings and a long-time proponent of the County Planning Board was named chairman, and John Wilkes, Reeve of the Townships of Marmora and Lake and present Warden of the County of Hastings was named vice-chairman. Carl E. Bateman, County Clerk-Treasurer and Administrator, was named secretary-treasurer to the Board. The members are: Earl Hawley, Deputy Reeve, Village of Bancroft; Gordon Wilman, Deputy Reeve, Township of Sidney; Mack Douglas, Reeve, Township of Carleton Place; Donald Rodgers, Reeve, Village of Stirling; Delmont Card, Reeve, Townships of Bangor, Wicklow and McClure; George Lyons, Reeve, Town of Deseronto; Cecil Woods, Reeve, Township of Madoc.

Most of the discussion at the meeting centred around the urgent need for planning throughout the County and how it could be most effectively and efficiently implemented. It appeared to be the consensus of opinion that if an official plan was to be drawn for the County in the foreseeable future, a competent firm of planning consultants should be engaged. At the same time, it was stressed that there was a need for

continuing liaison between the Board, the Dept. of Municipal Affairs, the Consultants and the public at large, and perhaps this could best be obtained by hiring some technical staff.

In the meantime, the Board, with the help of the Dept. of Municipal Affairs is drawing up terms of reference as to the scope of the planning program to be undertaken and the duties of any consultants that might be engaged.

Representing the Dept. of Municipal Affairs at the meeting to offer guidance and assistance were E. A. Gomme, Head of the Administration Section, Community Planning Branch and Mr. Brian Carney of the Official Plans Section of the same department.

## Seven from Stirling make long canoe trip

Seven Stirling area young people, who are attending Loyalist College, joined 36 of their fellow students for a 130 mile canoe trip over the trip over the Thanksgiving weekend.

Vicky Bateman, James and Allan Duffin, Brian Cooke, Richard Embury, Lance Bailey and William Bell and their fellow canoeists left Tangamung Lake, 15 miles north of Marmora, at noon Friday and paddled into Belleville on Tuesday afternoon.

The group, including 10 girls and 33 boys, made several portages along the

route which began at Tangamung Lake and continued on to Belmount Lake, Crow Lake, Crow River, to the Trent Canal system, the Bay of Quinte and finally to Belleville.

The canoe trip was not a race but a test of endurance. Some of the young adventurers were unable to complete the trip. This is the second year the students at Loyalist College have organized such an event.

The main problem encountered on the excursion was damp weather. About one half of the group stayed at

the Marmora town hall Sunday night. This was one of the few times the young people, and their belongings, were not wet.

One of the students on the trip reported that some of the portages were difficult and lifting canoes over rocks in shallow parts resulted in many young people getting wet feet.

The group had to carry all of their own supplies plus their canoes which added to the weight. A considerable amount of weight.

Despite all their hardships the group did have "Thanks" giving dinner which consisted of wieners.

GRADE 3 PUPILS VISIT FISH AND GAME CLUB

A Grade Three Class from Stirling Junior Public School last Friday paid a visit to

the Lower Trent Valley Fish and Game Protective Association farm northeast of Frank-

ford. Here, a group watches a pair of swans swimming

gracefully in a pond. News-Argus Photo.

Such of the hardy Lillies  
as are now in the stores  
should be planted at once.

## GIRL GUIDE LEADERS

(Continued from Page 1)

At 3 p.m., the bus left the  
group at the Stirling sanitary  
lagoons where Harry E. Cooke  
explained the construction of  
the lagoons and how they work  
to purify the town waste.

The ladies were very interested  
in the many varieties of ducks  
and the Canada Geese they saw  
at the lagoon.

James Bryant led a nature  
study walk and explained many  
aspects of reforestation,  
conservation of water and the  
reasons that some areas must be  
left in their natural state to  
enable the wildlife to survive.

In the evening, Carl Bosiak  
gave an interesting slide talk on  
the Bancroft Gemstone and also  
answered questions on rock and  
mineral samples.

Sunday morning, James Ives,  
district ranger, Dept. of Lands  
and Forests, from Napanee,  
showed slides on wildlife  
conservation and the duties of  
the rangers in protecting our  
natural resources.

Steve Patrick gave a very  
interesting talk on methods of  
weather study and the  
differences in weather systems.

At 2 p.m., the Guides were  
off to their homes in  
Peterborough, Bancroft, Picton,  
Brighton, Belleville, Trenton,  
Lakefield, Frankford,  
Demorestville, Napanee and  
Stirling. They all agreed that  
they would be better able to  
teach the Girl Guides a respect  
for nature and an understanding  
that the effects of what we do  
today may destroy some of  
nature tomorrow.

## OHC project authorized

Stirling Village council  
Monday night gave three  
readings to a bylaw authorizing  
the municipality to enter into an  
agreement with the Ontario  
Housing Corporation for the  
erection and operation of a  
senior citizens dwelling on  
Church St.

A 12-unit apartment complex  
is to be built at no cost to the  
village, either for capital or  
operational expenses.

The village would be  
responsible for picking up seven  
and a half per cent of any  
operational losses.

The project will be financed  
through the Central Mortgage  
and Housing Corporation.

## Draw winners

Rawdon Recreation Centre  
held its draw on a \$50 bill this  
past weekend with Mrs. David  
Bell being the lucky winner. The  
Springbrook Midget Ball Club  
held their draw on a \$100 bill at  
the same time with Earl  
Clemenger of Marmora being the  
winner.

## Council will make offer

The Village of Stirling will  
offer Clarence Copeland the sum  
of \$600 as compensation for loss  
of a portion of lawn, garden and  
rough land required for the  
widening of the Belleville Road.  
Council agreed Monday night  
to raise the original offer of  
\$479.54, submitted by an  
appraiser, by \$120.46. The latter

amount was added as  
compensation for  
"depreciation."

However, Mr. Copeland has  
said in a letter to council that he  
would not consider any offer  
less than \$1,200.

Reeve Donald Rodgers  
described Mr. Copeland's price  
as "ridiculous."

## SURPLUS OF NEWS

## This is where you're sure of prescriptions at reasonable cost!

Is the PARCOST symbol displayed at the pharmacy where you get  
your prescriptions filled?

If it is, you can be sure your pharmacist is interested in helping you  
obtain prescriptions at reasonable cost. Concern about both quality  
and cost of drugs, and interest in the patient who pays the bill, is  
the whole theme of the PARCOST program.

A copy of the PARCOST Comparative Drug Index that your  
Ontario Department of Health has sent to your doctor, is in constant  
use in pharmacy dispensaries. This authoritative Index of quality

drugs enables your doctor and your pharmacist to see at a glance the  
differences in cost of various manufacturers' drugs of the same  
formula and strength... and to be aware of cost when prescribing  
or dispensing your prescription.

As the PARCOST program gains more and more support from  
physicians and pharmacists, the end result will be to lower the  
average cost of prescriptions in Ontario.

You can help hasten this day by always getting your prescriptions  
filled at a pharmacy where the PARCOST symbol is displayed.

Corbett had the high triple of 572 and Gordon Barrie has the high average with 198.

Team standings:  
Idlers (5 nights) 18  
B. P. (54 nights) 17  
Selects (2 nights) 14  
Westenders (3 nights) 7

## TIME TO TURN BACK CLOCK

This is "catch-up" weekend when Daylight Saving Time comes to an end, and we turn the clocks back one hour on Saturday night. You might like to turn back the time for other reasons, but with this flip of the hand you are actually putting away for another season sunshine and ushering in what late Fall and Winter usually have in store.

From now until late February, most of us will be getting up in darkness and returning from work by artificial light.

Be that as it may, we will have one hour's extra rest on Sunday morning — just to prepare us for the rugged days ahead.

## Hold annual IGA dinner

The annual dinner and dance for IGA dealers and staff members in Central Ontario was held at the Royal York Hotel in Toronto Monday evening.

Attending from Bird's IGA, Stirling, were Mr. and Mrs. H. C. Bird, Mr. and Mrs. Douglas Bird, Mrs. Dorothy Burns, Mrs. Eleanor Scott, Miss Darlene Fox, Mrs. Margaret Bird and Leon Shortt.

During the evening's program, those attending heard Ray Wolfe, president of Oshawa Wholesale, speak.

Dancing was to Trump Davidson's orchestra.

## Public school league bowling

On Saturday morning, Oct. 12, the Bantam bowlers (10 to 11 years) were in fine bowling form with many good games. Jo-Anne Valchar bowled games of 168 and 148 (twice) high single and double. She also has high average of 140.

For the boys, Ricky Clements' games of 214 and 140 also gave him the high single and double and average of 150.

Other good games were: Robby Clements 145 and 122; Paul Sca 140; Suzanne Jacket 116 and 104 and Sherry Farrell 116.

Juniors (12 to 14 Yrs.)

Bill Sockley had boy's high single double and average of 178, 312 and 167. We won't even mention the girls' scores this week. Other good games were Steve Benson's 151 and 128.

The Partridge Family (9) were 3 to 2 winners over The Champions (5). The Alley Cats (17) took both games from the Great Ones (9) for 5 points.

Youth Bowling Council crests were won by Jo-Anne Valchar, 150 single and 300 double; Ricky Clements, 200 single and 350 double and Robby Clements, 250 double.

## Wednesday Ladies Bowling

On Wednesday night, October 14, the Wednesday Night Ladies' Bowling League changed its bowling time to 7:30 as the teams have seven bowlers each this season.

Doreen Platford's Starlets were 5 to 2 winners over Gloria Switzer's Drop-Outs. Ivy Poste's Lucky 7 also took two games for five points from Joan Rankin's Dew-Drops, giving them two points.

In Group 'A' (150 and up

average), Marlene Fraser bowled the high single of 226 and Shirley Milligan high triple and average of 599 and 195.

In 'B' Group (149 and under average), Helen Wannamaker had high single of 186 and Marilyn Haggerty high triple of 496.

## Your Workmen's Compensation Board. Protection is our job.

### We help in many ways

**Accident prevention**  
The Accident Prevention Associations of Ontario work with management and labour to reduce the hazards of the work environment, and to establish safe work habits through safety education.

**Medical expenses**  
However long he may require it, a worker is entitled to all the necessary medical care relating to his injury.

**Compensation**  
If a man is off work because of a job accident, we send him a tax-free compensation cheque every two weeks.

**Vocational rehabilitation**  
If a worker requires rehabilitation services, including job retraining, before he can return to work, we will provide them. There is no limit to the amount of time and money we are able to spend to help a man get back on the job.

### Help us to help you

We give every claim the same fast, fair and thorough attention. But to give everyone all the help they are entitled to in time of trouble, we need the co-operation of many people.

**We need a prompt report of every accident**  
We can act on a report from the injured man, from his employer, or from his doctor. From the day we hear of the accident, we can put the first compensation cheque in the applicant's hands in five days.

**The disabled worker needs your goodwill**  
Whether you're an employer or a fellow worker, give him a chance to show what he can do. It's a man's abilities that count, not his disabilities.

**Prevention is better than compensation**  
Most important of all, we need everybody to join in our effort to reduce on-the-job accidents. Accident hazards will always exist; the way to avoid them is to work defensively.

### Our job

Our job is to see that you get all the benefits of the Workmen's Compensation Act. This Act is financed by assessments on employers, and offers protection in the case of on-the-job accidents to more than two million men and women working in Ontario.

**Sharpen your self-defence - and enjoy life!**

## Ontario.

### Is there any place you'd rather be?

Ontarians are the kind of people who wouldn't be here if there was any place better. We are people who came from a hundred lands and stayed to build. People with backbone and brawn and a hunger to succeed. Men and women who've created a standard of living in decades that other lands worked centuries to build. If we have a flaw it's our chronic modesty. Ontarians may be proud to be Ontarians and Canadians . . . they just seldom tell anyone. From an economic point of view that's wrong. The more people we have boosting Ontario and Canada the better it is. And we've got a lot to boost with. At a time when the dollar is having many demands made on it, Ontarians can note that provincial taxes have held the line in 1970. And

we had a surplus to boot. Yet, needed programs have not been neglected. The Ontario Housing Corporation for example, has housed 120,000 people to date and currently has almost a billion dollars worth of programs active in nearly 200 Ontario Communities. We need a vigorous economy of course, to support these important programs. And, that's where you come in. Though our productivity has doubled in ten years and our incomes in twelve, Ontarians don't sit on their successes. There's a demanding decade ahead full of challenges and opportunities to make the quality of our lives better yet. To meet these challenges we've got to believe in ourselves. Which, when you think about it, isn't such a bad idea.

Everytime you boost Ontario . . . Ontario and Canada get a little stronger.  
Government of Ontario John Roberts, Prime Minister.

A NIGHT FOR JUNIOR AND SENIOR CITIZENS

St. Paul's United Church Hi-C held a pot luck dinner for the Senior Citizens Club

on Thursday evening. Mrs. Edna Sharp and Miss Delia Descent were among the sen-

ior citizens served by junior citizens, Jane Bush and Doug

Robinson, president of the Hi-C. Photo by Roy Lewis

## Horticultural Society meets

On Monday afternoon, Oct. 19, 28 members and visitors attended the October meeting of the Stirling Horticultural Society in St. Andrew's Church Hall.

Mrs. Floyd Armstrong presided and secretary, treasurer and goodwill reports were given. The revised flower show prize list was given by Mrs. G. Hubble and accepted.

Volunteer workers will clean up flower beds throughout the village at a convenient time.

A bus trip to see the Christmas lights and decorations in Oshawa is being planned for November 30. Mrs. Carman Nix and Mrs. Raymond McConnell are in charge.

The printing of the festival of

flowers show booklet for June will be awarded to Stirling Commercial Printing.

The November meeting will be a special one with each member offering some idea to enhance the home for Christmas.

Mrs. McConnell introduced the cast for the skit "What do you think?"

Three gardeners, Mrs. Alex Tanner, Mrs. Morley Aythart and Mrs. Ashley Brooks, were dressed as gardeners with shovels, pruning shears and other tools.

Mrs. Aythart gave a reading on house plants.

Mrs. Brooks had on display a winter bouquet of dried weed: and leaves, intermingled with

Japanese lanterns.

Mrs. Tanner conducted a flower contest, giving a box of chocolates to the winner.

Lunch was served (at the tables) with Mrs. Apperley and committee in charge.

Mrs. Ivan Caldwell thanked everyone who had a part in the afternoon's program.

## Joe Irish honored for Scout service

The annual meeting of the Moira Valley District Council of the Boy Scouts was held at Roslin United Church Hall on Sat., Oct. 24.

Eighty-four members and friends sat down to a turkey dinner prepared by the ladies of the church.

Rev. Lester Bigby said Grace, followed by a toast to the Queen, proposed by Allan Wells. After dinner, the Roslin young singers put on a program which was enjoyed by all. Although small in number, they put on a fine show.

Mr. Wells introduced the head table guests who were as follows: Rev. and Mrs. Bigby of the Plainfield charge; John Pettifer, Provincial Field Executive; Mr. and Mrs. Joe Irish, D.C., and Secretary Ernie Harvey, A.D.C.

The meeting was turned over to Mr. Pettifer, who then presented Mrs. Irish with her 20-year pin. He asked for the report of the nominating committee, consisting of president Allan Wells of Stirling; vice president Rev. Bigby of Plainfield; secretary John Kirns, Stirling; treasurer Sid Demorest, Marmora.

As Joe Irish, D.C., resigned, it was recommended that Don Marchand be the new D.C. This has to go to headquarters for approval.

Mr. Pettifer spoke to the group, talking on the Moira Valley and the growth that has taken place.

Mr. Irish spoke to the group on what has happened in the past 22 years he has been in Scouting. Though sorry to have to retire, he will always be on hand to help in the District.

Mr. Wells presented Joe with a toaster and automatic coffee percolator from the District for his years of service.

## LEGION NOTES

Glad to hear in our Legion national magazine that the new D.V.A. hospital in St. Anne's is fully equipped - the most modern and complete veterans' hospital in the world. Referring to World War I, they say that this year there will be over 100,000 veterans, age 60 and over.

By 1985 we of World War II will number 500,000, age 60 or more.

Let's be sure to invite all the "old sweets" to our memorial banquet. Watch for news of our poppy campaign beginning November 5 to November 11.

## Hi-C Club entertains senior citizens

The Senior Citizens were royally entertained on Thursday evening by St. Paul's Hi-C Club. Never in our four years of activities have we enjoyed an evening more. Their pot luck supper just had everything and during the program we let our hair down to their age and were well entertained.

Fred Heasman, president, led a round of singing and Bruce Small tumbled over the ivories. An impromptu quartet of Fred and George Heasman, Bruce Small and Bob Patterson sang two numbers and were terribly good - again I say terribly. This number was far surpassed by a number by the Hi-C's called "The Pidgeon".

Thirty-four Senior Citizens were present and about 25 Hi-C's mixed among us. Jane Bush headed the games we enjoyed so much. What about the youth of today? Just ask any Senior Citizen and he'll say that the village and community should be proud of this group and we hope there are many more such groups. Wayne and Barb Martin deserve a big hand for the interest they are lending to this youth work. Our boys and girls are the greatest.

Mr. Heasman thanked the club for such a pleasant evening and their president, Doug Robinson, replied saying that "they had a good time doing it and hoped we could meet again sometime."

During the evening, the birthday song was sung to John Holmes who was 85 years young.

The joke pot - The old millionaire and his child bride just had an anniversary. He gave her a 20 carat diamond and she gave him the mumps.

dis ole Scibe.

## Public school league bowling

On Saturday morning, Oct. 24, each team won one game. The Champions and The Partridge Family each got an extra point for total pinfall over the alleys, and The Great Ones respectively. Points are: Alley Cats, 19; Partridge Family, 12; Great Ones, 11; Champions, 8.

**BANTAM DIVISION**  
Girl's high single and double: Sherry Farrell, 153 and 272; high average Jo-Anne Valchar, 127.

Ricky Clements bowled high single of 191, high double of 316 and has high average of 152. Other good scores were: Robby Clements, 161 and 130; Dianna Barrie, 123 and 101; Jo-Anne Valchar, 120 and 110; Suzanne Jackett, 110 and 102; Paul Scott, 131.

**JUNIOR DIVISION**  
Girl's high single, double and average: Pearl Hum, 175, 327, 165.

Boy's high single and double: Terry McGee, 140 and 273; high average, Bill Seeley, 167.

Other good games were: Robbie Hutton's 130 and Heather Glendenning's 126.

Youth Bowling Council crests earned this week were: Sherry Farrell, 150 single; Terry Arbutnot, 100 single; Suzanne Jackett, 100 single.

## Conservation authority will purchase King's Mill property

Russell Sills, chairman of the conservation areas advisory board and C. G. Macdonald, authority chairman announced that the Lower Trent Region Conservation Authority has received final approval from George A. Kerr, Q.C., minister of Energy and Resources Management, and Clarke T. Rollins M.P.P. for Hastings, to purchase the King's Mill property and an additional 59 adjoining acres in Eglon Township at R.R. 5, Stirling.

The King property contains a two-storey stone grist and sawmill, a creek with a dam in need of some repair and a dwelling house.

These two properties will be developed as a conservation and recreation area. It is a beautiful setting for a picnic area, and a small camping site below the dam. A submerged weir across the stream will provide a shallow pond for wading, and when the dam is repaired the pond created above will be excellent for canoeing, swimming and fishing. There will be approximately five acres of clear creek upstream which will be stocked.

This is an ideal property to be used in the authority's conservation education program. In due course the mill will be restored to its original role to demonstrate early milling methods.

All member municipalities are bearing the authority's share of the cost which was budgeted in 1969 for the 1970 levy.

## NFU delegates to be chosen

The October meeting of Local 334, National Farmers Union was held at the home of Mr. and Mrs. James Spry.

Business from the minutes was dealt with. Also, new business was discussed.

Correspondence was read dealing with milk, income tax, etc.

Reports were given by the delegates who attended the convention in Campbellford in September. Mrs. Jim Mumby, Mrs. James Spry and Mrs. George Williams reported.

It was moved by Mrs. Jeanne Williams and seconded by Jim Mumby that the union hold its monthly meeting one week earlier due to a regional membership meeting to be held in Toronto at the King Edward Sheraton Hotel November 9 and 10, in order to choose delegates to attend the meeting.

Lunch was then served and a social hour spent.

## Witnesses to hold assembly

Belleville will be the site of a regional assembly of Jehovah's Witnesses November 6-8. In announcing the assembly, Walton Lidster, who is the presiding minister of the Stirling Congregation, said, "Sixteen Congregations from Southern Ontario will assemble there to hear scriptural discourses. The theme of the assembly is 'The Word of God is Alive'."

"In this time of human history when faith in the Bible is declining, assemblies like this fill a vital need by presenting an impressive accumulation of evidence of the Bible's Divine origin," Mr. Lidster said.

The assembly will conclude with a public Bible lecture on Sunday afternoon at 2 p.m.

## Appointment

R. Auld, Executive Director, Ontario Society for Crippled Children, announces the appointment of Miss Edith Green, Reg. N., B.Sc.N., to the Society's District Office at 14 Bridge Street West, Belleville.

In replacing Miss Heidi Lane, Miss Green will assume responsibility for the provision of Easter Seal nursing services in the Counties of Hastings, Prince Edward and Lennox and Addington.

KING'S MILL NORTHWEST OF STIRLING

## Centre Hastings U.C.W. holds regional rally

The Centre Hastings Regional Rally of the United Church Women was held in Queensboro United Church on October 20. The theme of the rally was - "Trends in our Church."

The regional vice-president, Mrs. Jack Bush, presided over the meeting and opened with an invocation prayer followed by a hymn. Mrs. R. Rollins introduced Rev. Sedgewick, minister of the Queensboro charge. Mr. Sedgewick gave the ladies a warm welcome and hoped their rally would be successful. Mrs. Bush also brought greetings and introduced the theme to the ladies. Following this, the business was considered. The minutes of the 1969 rally were read and adopted. The financial report was accepted. Mrs. Grenville Meiklejohn and Mrs. Harold Holden are new members of the nominations committee. An invitation extended by the Tweed U.C.W. to hold the 1971 rally in their church was accepted. This concluded the business.

Mrs. T. W. Spear, Trenton, Presbyterian president, brought greetings from the Presbyterian and gave an inspirational message on "Being a Christian and What It Really Means".

The roll call was answered by over 100 members. Each local presented their allocation articles for Angola. These were presented by Mrs. Ken Weaver, received and dedicated by Miss Helen Sexsmith.

The theme of the rally was studied as the members listened to a very interesting "Round Table Discussion" on Stewardship Trends, prepared by Mrs. William McKeown and her

assistants, Mrs. G. Williams, Mrs.

C. Burkitt, Mrs. M. Mason, and Mrs. G. McFaul of the Springbrook U.C.W. All members of the rally discussed questions concerning stewardships following the study periods.

Mrs. Mills and Mrs. Thompson of the Harlowe U.C.W. led in a lively sing-song.

Mrs. Harry Harrison introduced members to many new and informative books.

## SEWING ENTHUSIASTS MAKE THEIR POINT

The point made by more than 80 persons at the Stirling Senior School on Monday evening, October 26 was this: people are interested in holding community activities in the Stirling Schools.

This was the first meeting for people who had previously indicated an interest in attending group sessions and classes. Mrs. Vi Beith was chairman for the evening.

The enthusiasts were organized into several groups. Lois Benson will instruct the teenage group. Marjorie Donnan, assisted by Marlene Meyers, will instruct the basic sewing class. Pat Hadley, assisted by Mary MacKinnon, will take charge of the advanced sewing. Also instructing will be Mazie Bush. Knitting and crocheting groups were also organized.

Patterns were chosen, measurements were taken and sewing enthusiasts were instructed to purchase materials. Coffee was served at the close. The next meeting of the sewing club will be held next Monday.

during the literature report. Mrs. Bush introduced and welcomed the Presbyterian officers, after which she invited everyone to the dining hall to enjoy the dinner prepared by the Queensboro U.C.W.

Mrs. Zufelt, with Mrs. Bailey as accompanist, opened the afternoon session with hymn singing after which the offering was received and dedicated by Zion U.C.W.

The afternoon study period was centred on "Trends in Programming," which was well presented by Mrs. A. Wells, Mrs. J. Bush, Mrs. D. Williams and Mrs. R. White.

Later in the study groups, the ladies learned new methods of presenting programs to their U.C.W. to interest new members and keep everyone active and participating.

Everyone joined in a prayer of courtesy and the rally closed with Tweed U.C.W. uniting all hearts in a service of Christian worship.

All repeated the Mirpah benediction and left for home with this thought - "If you worry - you don't trust. If you trust - you don't worry."

## Fleecys meet

The fourth meeting of the River Valley Fleecys was held on October 3 at 1:00 p.m. It was opened with the 4-H Pledge.

Various pointers on the first steps of making garments were discussed; such as on grain, darts and gathering.

Mrs. Brooks showed how to make a bound buttonhole.

MILL TAKES SHAPE

The overall look of the new branch of the Tweed Feed Mill, on North Street in Stirling, is taking shape as

workmen completed the frame of the new building last week. The new business, which will offer feed and fertilizer ser-

vices to area farmers, is expected to be opened next month. Photo by Roy Lewis

MR. AND MRS. HARRY HOLDEN

## Stirling couple married 50 years

Mr. and Mrs. Harry Holden of Stirling celebrated their 50th wedding anniversary on Saturday, October 24 in the O.O.F. Hall in Stirling. A number of friends and relatives called to congratulate the couple on the happy event.

The hall was attractively decorated with bronze and yellow mums, also gold and white bells and streamers.

Pouring tea from a lace-covered table, centred by a three-tiered anniversary cake and silver tea services, were Miss Bessie Holbert and Mrs. Angus Mumby, Moira; Mrs. Percy Craighead and Mrs. Orval Jackson, Stirling; Mrs. John Holden, Moira and Mrs. Arthur Fleming, Madoc.

Granddaughters were in charge of serving at the decorated tea tables and at the guest book. The honored couple received a

large array of greeting cards and gifts as well as congratulatory messages from government officials and a plaque from the Ontario government.

Harry Holden of Moira and Bessie Fleming of Madoc were married Oct. 27, 1920, at her home by the Rev. J. R. Trumppour. Mrs. Ken Wright, Ottawa, was bridesmaid and John Holden, best man. Mrs. Ray Grant, Belleville, played the wedding music. All were present for the occasion Saturday.

They were blessed with six children: Harold, Stirling; Orval, Glen Miller; Mrs. Roy Chambers, (Jean) Roslin; Mrs. Orval Maxwell, (Audrey), Nanapan; Carl, Deseronto and Mrs. Jim Shier (Betty) of Belleville. Also 22 grandchildren and one great-grandchild.

They farmed at Moira until two years ago when they moved to Stirling.

## Rylstone WI

Twenty members of the Rylstone Women's Institute and their guests were entertained in the home of Mrs. Austin Dunk on Tuesday, when their leaders, Mrs. Paul McKeown and Mrs. Austin Dunk demonstrated the making of six delicious desserts.

If trees, now dormant, are fed with Vigoro at this time they will be supplied with nourishment as soon as the ground thaws in the spring.

### Letter to the editor

Dear Sir:  
When I attended the pollution seminar held at Loyalist College on Saturday, October 17, I was impressed with the number of people who showed up for the event. I was also impressed with the highly-theoretical way they considered the various aspects of pollution. What struck me was the fact that this sort of thing will not stop pollution.  
I could not see where talking

### CHATTERTON

#### Intended for Last Week

Mrs. and Mrs. Gary McMillan spent the weekend in Brampton visiting Mrs. MacMillan.  
Mr. and Mrs. Wendell Pond and family spent Tuesday with Mr. and Mrs. Lorne Reid and attended the funeral of Ernest White, Mrs. Pond's grandfather.  
Mr. and Mrs. Harvey Tully and family of Ottawa spent the weekend with Mr. and Mrs. Eugene Tully and family.  
Mr. and Mrs. Percy Campbell of Ottawa spent the weekend with Mr. and Mrs. Ralph Campbell.  
Mrs. Mollie Giles and Mrs. Mabel Green of Toronto spent the weekend with Mr. and Mrs. Lorne Reid.

## Chatterton WI

The October meeting of the Chatterton Women's Institute was held at the home of Mrs. Roy Ross with nine members present.

The president opened the meeting with the Institute Ode, followed with the Mary Stewart Collect. The roll call, "Name a new law we would like the government to pass", was well answered.

The minutes were read and adopted.  
A short business period was conducted and delegates

### STIRLING BRANCH OF THE CANADIAN CANCER SOCIETY

### Wee Woollies hold meeting

We held our third 4-H meeting on September 29, at Wellman's W. I. Hall. The meeting was opened with the 4-H Pledge and Motto and was followed by the roll call. Mary Akins read the minutes of the last meeting and Lorna McMullen gave the treasurer's report. The topics discussed were as follows: Studying the Pattern, Altering the Pattern, Using the Pattern and Lining the Skirt. Mrs. Akins demonstrated two methods of lining a skirt. The girls then worked on their chosen outfits. The home assignments were discussed and the meeting was closed with the benediction.

Meeting No. 4

This meeting was held on October 8, 1970 at the above location. The meeting was opened with the 4-H Pledge and Motto, followed by the roll call. Virginia Pollock read the minutes of the last meeting. We then discussed How to Assemble a Garment, Pressing Methods and How to Make a Bound Button hole. The leaders then demonstrated points from these topics. After the girls worked on their garments.

## Stirling WI holds meeting

Mrs. Morley Aythart was hostess to the October meeting of Stirling Institute which was opened by the Opening Ode followed by the Mary Stewart Collect.

Roll call was answered by a memoir of Mr. first teacher. Minutes of the last meeting and treasurer's report were read and approved. One quilt had been sold and a lunch catered. Used clothing for the Scott Mission is to be in to Mrs. West or Mrs. Bronson by November. Correspondence, re the Pollution Probe seminar and selling Christmas gifts was read and tabled. Delegates to district convention at Club Canara in Belleville are Mrs. A. Tanner and Mrs. Cook.

Mrs. Cook spoke of an interview she and Mrs. Clancy had with the council regarding the institute dishes and after considerable discussion it was decided to donate dishes, flatware and locks to council in return for the use

about how people's cultural values are very difficult to change had anything to do with the piles of burning leaves that greeted me when I arrived home after the seminar.

The burning of autumn leaves is a solution to the problem of having leaves where they are not needed. But it creates another problem: smoke. Yet there is another way. We can solve the problem of unwanted leaves by moving them to poor, infertile areas where compost is sorely needed. I suggest the village authorities consider this at once. It may mean a slight cost. It may mean work. But it will also mean that smoke from smouldering leaves will not detract from the beauty of our village. It will also mean that our fire hazards are lessened. It will also mean, for some, that future fertilizer costs will be lower than if these leaves were merely destroyed.

Perhaps most important, it will mean that we can do something about pollution, instead of just talking about it.  
Stephen Patrick.

of the community hall and kitchen at any time needed by the Institute.  
Moved by Mrs. Bronson and seconded by Mrs. Bartlett that a social committee be formed to consist of Mrs. Clancy, Mrs. Bronson, Mrs. Senior and Mrs. Grills.

A wreath is to be bought for Armistice Day.

Mrs. Senior took charge of the program to replace Mrs. Hicks. She mentioned Canada's exports of natural resources and the fear of United States domination.

Two readings were given on Thanksgiving. One by Mrs. Wannamaker. To Be Thankful For Little Things and a story by Mrs. West, to show that if we take away what God has given nothing is left.

An Institute cup and saucer was presented to Mrs. West in recognition of her thirty years of service as treasurer.

Mrs. Edison Sine explained the organization of the F.W.I.O. from provincial level downward, answered several questions and made many helpful suggestions.

Bingo was played and the meeting closed with grace. Lunch was served by the hostess and Mrs. Cook.

### READ THE CLASSIFIEDS

### STIRLING WOMEN'S INSTITUTE

## Fraser - Palmer

On Saturday, September 19, 1970, in Wellington United Church, Rev. Trux united in marriage Elizabeth Dianne, daughter of Mr. and Mrs. Howard Palmer, RR 2, Consequon, Ontario, and Wayne Francis, son of Mr. and Mrs. Gerald Fraser, RR 3, Frankford, Ontario.

The bride's father escorted her down the aisle. She wore a lovely empire styled dress of white satin topped with a lace coat with attached train, mandarin collar and small covered buttons. Her shoulder-length veil was held in place by lily of the valley and she carried a bouquet of orchids.

Attending the bride was Barbara Stinson, Belleville, matron of honor, sister of the bride, in a multi-colored gown of velvet embellished on nylon with yellow underlining. The bridesmaids were Lynn Palmer, cousin of the bride, Consequon, in a dress similar to the matron of honor's except the underlining was green and Linda Moore, sister of the groom, Frankford, in a similar gown with gold underlining. They carried bouquets of white carnations with a yellow mum. The flower girl was Debbie Moore, Frankford, niece of the groom, in a

gown identical to that worn by the matron of honor. She carried a basket of white carnations with a yellow mum. All the attendants wore yellow roses in their hair.

Gary Sayers, Frankford, Ontario, was best man and the ushers were Dennis Palmer, RR 2, Consequon, cousin of the bride, Jack and Bill Fraser, Frankford, both brothers of the groom.

The reception was held in the Centennial Parlour, Wellington United Church.

Mother of the bride wore a matching blue raw silk dress and coat with a corsage of pink carnations. The groom's mother wore a crimp knit olive green dress with a numby crocheted jacket and a corsage of apricot carnations.

For a going away outfit the bride chose an off-white crepe dress with mandarin collar and three-quarter length black lace jacket. She wore a corsage of apricot carnations.

The couple travelled to Algonquin Park for a honeymoon trip. They are to reside at 104 Wragg St., Trenton, Ontario.

Out of town guests were from Peterborough, Belleville, Stirling, Trenton, Tweed and Toronto.

## Bethel UCV

The October meeting of Bethel UCV was held in Bethel Church hall on Oct. 22.

Mrs. Holden read a poem Thanksgiving and led in prayer. The hymn "We plough the fields" was sung. The roll call, a verse containing the word "fruit," was answered by 21 members and visitors. Also two small children were present.

Mrs. McGee, read the minutes and correspondence. There was a discussion concerning the covering of chairs and a committee was appointed. The nominating committee was also appointed. There is a bale of clothing to be packed in December. There will be a Fellowship meeting in Stirling, Nov. 16th. Mrs. J. Pollock is to be the hostess for the November meeting.

Mrs. Laycock was in charge of the Worship Service and the Program. The call to meditate was followed by prayer. Mrs. W. Killar read the Scripture from Psalm 15. Mrs. D. Heath sang a solo, "Open My Eyes", accompanied by Mrs. H. Elliott. The meditation, The Art of Living, was taken by Mrs. F. Reid, Mrs. O. Lightle, Mrs. Pender and Mrs. Elliott. The hymn, Take Time To Be Holy, was sung.

Sow a thought and you reap an act,  
Sow an act and you reap a habit,  
Sow a habit and you reap a character,  
Sow a character and you reap a destiny.

All joined with Mrs. W. Cox in the song, Living and Giving. The film, Bread with Laughter and Dignity was shown by Mrs. Cox. Give cheerfully and with compassion. Christ has no help but our help.

The offering was received and dedicated and the meeting closed with the Benediction. A lunch was served. Mrs. Heagle moved a vote of thanks to those who had taken part in the program.

## Hallowe'en Tips

Dear Parent or Guardian:

Each year on Hallowe'en night children are injured from accidents caused by careless and sick minded persons.

The following are rules that the JAYCEES suggest should be followed by both parents and children of all ages:

1. Accompany the small children on their rounds.
2. Dress them in bright colored costumes.
3. If using paper of flammable material, make sure it is fire retardant.
4. Use make-up instead of masks, masks are often poorly designed and hard to see out of.
5. Dress them in costumes and footwear that fit, so as not to cause them to trip.
6. Be careful of wrapped candies and treats.
7. Check apples, oranges, popcorn-balls, home-made treats, etc. for glass, pins, needles, razor blades, etc. before allowing a child to eat it.
8. Check the taste and smell of home made treats for agents added to cause sickness poisoning, etc.
9. Keep children from committing vandalism (this amounts to thousands of dollars yearly).
10. If any irregularities are found, attempt to remember where the treats were received and contact the police department in the area, giving full details to them.

Perhaps some of these precautions are unnecessary, we certainly hope so, but never the less it is best to be safe than sorry.

## He'll go a long way to keep you warm

A long way. Through the roughest miles in the roughest weather you can depend on him. Delivering the finest fuel, making sure it's there when it's needed, in fact, keeping you warm and comfortable—that's his job and he does it well. But that's only half the story, your CO-OP petroleum driver is also backed up by the finest range of quality furnaces, humidifiers and water heaters, to keep you comfortable, too! Call him today.

## AGRICULTURAL WORKER'S COURSE

This course is designed to provide practical training for low income rural people who would like to upgrade their knowledge and skills in dairy and beef farming and to become better equipped for full time employment on large farm operations in Ontario. The demand for skilled farm workers has in the past and is at the present far in excess of the supply.

COURSE DURATION: Ten Weeks, 5 days a week commencing January 11, 1971.

COURSE LOCATION: Kempeville College of Agricultural Technology.

TRAINING ALLOWANCES: Students approved by A.R.D.A. and Canada Manpower will receive the normal training allowances.

Interested persons with a farm background who are willing to move into this area of employment should contact their A.R.D.A. Counsellor at the Department of Agriculture and Food Offices, Box 340 Stirling, Box 1600 Napanee, Box 651, Kingston or their nearest Canada Manpower Centre.

## River Valley WI Sixty Years Old

Twenty seven members of River Valley Women's Institute journeyed to the Sun Luck Gardens Restaurant in Belleville for a dinner meeting on Monday evening, October 19th. The toast to the Queen followed the Institute grace. The group signed their names in the Friendship List guest book.

Mrs. Ed Kent proposed a toast to the River Valley Women's Institute in Hastings' West District on the occasion of their Sixtieth Anniversary. The organization has served the surrounding district and many people have been enriched by their association with the River Valley W.I. Their efforts in all aspects of their work and their many social gatherings have all been greatly appreciated.

Following the toast, the president, Mrs. Roy Tucker, gave the reply. She paid tribute to all the executive members over the years since the institute was organized in February, 1910.

She said our aim has been to serve, Home and Country, to keep people enlightened with regard to agriculture, health, citizenship, education, home economics, Canadian Industries, Historic Research and safety.

We are ever mindful of the past history of our community and we treasure our Tweedsmuir History. We are very grateful to all those who contribute towards that department of work.

Our young people are members of 4H Clubs and have competent leaders. We have a friendship link with an institute in England and with whom we have the pleasure of exchanging gifts at Christmas time. Our gratitude towards our Friendship List secretary is voiced at this time.

As members of RVWI we try to be ever mindful of our Mary Stewart Collect and in our daily lives we try to live the Institute Ode.

In our social events we have the pleasure of meeting people of all walks of life, thus our lives are greatly enriched.

We look forward to the future and we hope to continue to serve our community and the surrounding districts with greater knowledge gained from our past sixty years.

The candles were then lit followed by the cake ceremony.

Mrs. Roy Bush, curator, read a message which she had prepared, and we have copied a portion of it. Many years we've gathered in friendly work or play; And each year ticks so quietly, we hardly miss a day. Its 60 years dear members since the Home and Country Charter was read, These women deserve a little praise as they saw the need for women to have better homes, better laws and education.

Tonight we may be selfish, but we thought we would take a break, And celebrate in modern style without a great big cake. We hope you get the message for the future—more common

sense for women and good welfare for all men. As we light the candles on our individual cakes, from the light so long ago, may we keep the light burning in hearts for evermore.

## Energetic bowling league

In Group 'A', Pat Harris had the high single of 217, and high triple, 394.

The high average of 191 is held by Lenora West.

In Group 'B', Joan Jones took the high single, 215, and the high triple, 526.

Over 200 games - Verna Woodbeck 208, Irene Hogle 208, Hilda Rose 204, June Knapton 203, Grace Tanner 203 and Eleanor Fearon 202.

Team standings: Go Go's 20 pts.; Teasers 18 pts.; Barbie Dolls 14 pts.; Happy Mixers 4 pts.

YOUNG AND OLD THORNABY, England - The official history of this Yorkshire town goes on sale this year. It was written after two years of research by Larry Ottaway, 13, and the 50,000 words were typed by his 69-year-old grandmother.

**A VISIT TO THE WORLD OF PRINTING**

Several Grade Four pupils from Stirling Public School had an inside look at printing and how a newspaper operates when they visited Stirling

Commercial Printing and the Stirling News-Argus last week. Here Eldon Kemp, editor and publisher of the Stirling News-Argus, demon-

strates the operation of a headliner machine which is used to print the larger type in the newspaper. Photo by Roy Lewis

**Rylstone****Intended for Last Week**

Among those who attended the plowing match near Lindsay last week were Mr. and Mrs. Austin Dunk, Eldon Anderson and David Wildman, Mr. and Mrs. Jack Spencer and Mr. and Mrs. Dan Reid of Springbrook and Mr. and Mrs. Paul McKeown.

Blanche Gibson of Campbellford is spending a few days with her sister and husband, Mr. and Mrs. Ralph Heath.

Mr. and Mrs. Percy Reid attended a dinner in St. John's United Church Hall in Tweed on Saturday evening in honor of Diane Gunning, Hastings County Dairy Princess, given by her parents, Mr. and Mrs. Lorne Gunning of Tweed.

Several from here attended the Commencement at Madoc High School on Saturday night.

Among those from here who received diplomas, etc., were Tom Thomson, who was awarded an Ontario Students' Scholarship and an honor graduation diploma. George Reid also won an honor graduation diploma. Suzanne Mumby, Lynne Spencer, and Maureen Stewart also received diplomas.

Leslie Margaret Spencer, daughter of Mr. and Mrs. Fred Spencer was christened at Zion United Church on Sunday morning Rev. Gordon Whitehouse performed the ceremony and was a dinner guest of Mr. and Mrs. Spencer, along with her parents, Mr. and Mrs. Keith Bailey.

Mr. and Mrs. Cliff Anderson of Burnbrae and Mr. and Mrs. Walter Watson of Petherick's Corners were Sunday guests of Mrs. Essie Reid.

Laurie and Chris Spencer spent Friday with their cousin, Roxanne Spencer.

Lynne Spencer of Peterborough and George Reid of Waterloo spent the weekend with their parents and attended Commencement exercises at Madoc High School.

Mr. and Mrs. Ernie Irwin entertained the following on Sunday, to a birthday dinner in honor of the birthdays of Mr. Irwin, his sister, Mrs. Emma Redden of Campbellford and his granddaughter, Judy Wallace of Peterborough. Guests were Mrs. Redden, Elwood Irwin, Mr. and Mrs. Clair Irwin and children, all of Campbellford; Mr. and Mrs. Tom Wallace, Judy and Sue of Peterborough. We extend congratulations to these birthday celebrants.

Sunday visitors with Mr. and Mrs. Eldon Anderson were his brother, Lorne of Peterborough, her mother, Mrs. Mary Menzies of Havelock and brother Granville Menzies, his wife and son Richard of Peterborough.

Mrs. Doug Doohar and children of Campbellford visited her sister, Mrs. Clarence Thomson and family on Sunday.

Thanksgiving guests of Mr. and Mrs. Jack Spencer and family were her parents, Mr. and Mrs. Harper Bateman and Barry Danford of Springbrook.

Mr. and Mrs. Glen Stewart of Peterborough spent the weekend with his parents, Mr. and Mrs. Ray Stewart and attended a birthday dinner in honor of his grandmother, Mrs. John Rowe at the home of Mr. and Mrs. Alex Stewart. Mr. and Mrs. Ray Stewart were also guests.

Mrs. Cora Reid entertained her nephew and his wife, Mr. and Mrs. Jack Moore of Belleville on Thursday.

Johnny Spencer was an overnight guest of his cousin, Randy Spencer on Saturday.

Mr. and Mrs. Clarence Thomson, Steve, Karen, Mark and Michael, were guests of their aunt and uncle, Mr. and Mrs. Fred Husband at Napance on Saturday.

Sunday guests of Mrs. Cora Reid were Mr. and Mrs. Stewart Mitchell of Wooler and Mrs. Ida Logue of Stirling.

Mr. and Mrs. Melville Finch of Sine were Sunday supper guests of his brother Lindsay, his wife and family.

Richard Morton and grandson Reed, were dinner guests of Mr. and Mrs. Kenneth Thompson at Springbrook on Thanksgiving day and had supper with his daughter and husband, Mr. and Mrs. Ralph Thompson, Helen-Anne and Larry.

Mr. and Mrs. Bergen Payne

**Ivanhoe Institute**

The regular meeting of the Ivanhoe Institute was held at the home of Mrs. George Wood with a good attendance. The vice-president, Mrs. Dan Cooke had charge of the meeting in the absence of Mrs. K. Turniman.

She opened the meeting with the Institute Ode and Mary Stewart Collect. Roll Call was answered with each member wearing her oldest family jewellery and telling an interesting fact about it.

The minutes of the last meeting were read and approved. It was moved and seconded that a delegate and an alternate be sent to the area convention on

October 28 and 29.

Just recently, the group catered to a birthday party and realized \$70. It also catered at the sale barn at Hoard's and receipts were \$241.

On October 22, the Institute is having a pot luck dinner at Ivanhoe Hall.

The collection was taken and Penny Box and Birthday Box passed. The meeting was turned over to Mrs. George Wood, the Economics convener. She opened with a reading entitled "Recipe for a Happy Day" and Mrs. John Wallace gave the motto, entitled "You Can Value the House to the Penny. But you

Can't Value a Home."

After the motto, Molly Tanner played "Home Sweet Home."

The guest speaker for the afternoon, Mrs. Bill Warren, showed different things that she had made for Christmas and other occasions.

Evelyn Pollock thanked Mrs. Wood for opening her home and Mrs. Warren for showing her display of things.

Edna Tanner presented Mrs. Warren with a gift and the meeting closed by the singing of the Institute Grace. Mrs. Wood and her assistants served lunch.

**Canada Savings Bonds**

**An investment that grows and grows**

**7<sup>3</sup>/<sub>4</sub>%**

average annual interest to maturity

Canada Savings Bonds help you plan ahead—look to the future without worry. They're Canada's most popular personal investment.

Canada Savings Bonds are easy to buy for cash or on instalments, in amounts ranging from \$50 up to \$25,000.

Canada Savings Bonds are cold, hard cash—immediately. They can be redeemed any time at their full face value plus earned interest.

Canada Savings Bonds are safe—backed by all the resources of Canada. They're a very special security.

New Canada Savings Bonds yield an average of 7<sup>3</sup>/<sub>4</sub>% a year when held to maturity.

Each \$100 Bond begins with \$6.75 interest for the first year, pays \$7.75 interest for each of the next three years, and then pays \$8.00 interest for each of the last seven years.

On top of this you can earn interest on your interest. You can make each \$100 grow to \$227.50 in just eleven years.

That's why we say, Canada Savings Bonds are good today, better tomorrow; an investment that grows and grows.

## Mount Pleasant

(By Mrs. Percy MacMullen)  
On Sunday morning, October 18th the Sunday School group convened in the church hall for a special session.

The Sunday school superintendent, Howard Jeffs, was given a seat of honor and Linda Hubel read an appreciative address. All of the children in the kindergarten class carried a basket with the gift. Howard graciously

voiced thanks for the remembrance. His bride to be, Miss Corey Davidse was also welcomed.

At the close Mrs. Herbert Smith served the group candy.

The Messenger group convened in the church hall and Margaret Hoard provided the music for the hymns.

Kathy Sharpe gave her report. The offering was gathered by Gail Merrick and Kim Graff.

The balance of the time was spent with crafts.

On Tuesday, October 20, Mrs. Robert H. Hoard, Mrs. Garth Joslin, Mrs. Milford Wrightman, Mrs. Herbert Smith and Mrs. Kenneth Wea

attended the UCW rally at Queensboro.

Miss Edna Hubble, Toronto, spent last week with her brother Grant Hubble, Mrs. Hubble and Frank.

The United Church Women catered on Wednesday, October 21st for the farm sale of Norman McConnell.

Mr. and Mrs. Harvey Couch attended the 25th anniversary dinner of the students of Peterborough Teachers College who were in the class of 1944-45. The dinner was held Saturday evening, October 17th at the Miss Diana

Hotel.

John Holmes observed his 85th birthday anniversary on Saturday, October 24th. On Sunday Mr. Holmes, his sister, Miss Annie Holmes and Kenneth Holmes of Madoc visited relatives at Collins Bay.

Mrs. Leonard Sharpe, Mr. and Mrs. Percy MacMullen, John Holmes and Ross Hoard were guests of St. Paul's H.C. group on Thursday evening and enjoyed a delicious pot luck dinner.

Intended for Last Week

Several folk from here attended the plowing match near Lindsay last week.

Mrs. Donald MacMillan, Swift Current, Saskatchewan, her daughter and son-in-law, Mr. and Mrs. Richard Biernes, Toronto, spent Thanksgiving Sunday with Mr. and Mrs. Frank Hutchinson.

Mr. and Mrs. Percy MacMullen attended the sixtieth wedding anniversary of their aunt and uncle, Mr. and Mrs. Cecil Rowley, (nee Olive Montgomery) Frankford, on Sunday, October 18th.

Glen Spencer, who is attending Ryerson Polytechnical Institute, Toronto spent the Thanksgiving weekend with his parents, Mrs. and Mr. Frank Spencer and family.

Several folk from Mount Pleasant paid their respects to the late Mrs. Irvin Reid (nee Laura Agnes Harvey) at the Grant Funeral Home, Belleville. The funeral was held on Monday, October 19th.

A few people from here attended the open installation of Laurel Rebekah Lodge No. 211 on Tuesday evening, October 13th.

Mrs. Percy MacMullen had the honor of presenting the newly installed Noble Grand, Mrs. Kathleen McMullen with two red roses in a white vase on behalf of her two granddaughters Lisa Morgan and Colleen Carlisle.

On October 14th, Mrs. Robert H. Hoard, Mrs. Douglas Campbell, Mrs. Oscar Merrick and Mrs. Douglas Pyear, of the UCW, were in charge of the Tuck Shop at Hastings Manor, Belleville.

UCW

On Wednesday evening, October 14th the United Church Women convened at the church hall with 35 people in attendance. Gowns were used for decoration.

Mrs. Garth Joslin presided and welcomed the new arrivals in the community and guests.

Mrs. Milton Shaw was pianist for the Thanksgiving hymns. Mrs. Douglas Campbell gave the minutes and roll call. Mrs. Herbert Smith read a large array of thank you notes from folks who had been remembered. Mrs. Frank Bailey gave a financial report of the recent wedding and Mrs. Burton Sharpe gave the amount in the treasury.

Plans were made for catering at an auction sale on the 21st. Mrs. Robert H. Hoard was appointed delegate to the Queensboro UCW rally on the 30th.

An invitation was received to attend Hoads Bazaar on the 28th. The next meeting will be one week later on November 18th. The Fellowship Night will be held on November 16th at St. Andrew's Presbyterian Church.

The program was arranged by Mrs. Douglas Pyear and Mrs. James Hagerman and the latter read the meditation and prayer.

Mrs. William McAdam read the Bible lesson. Greg and Lynn Joslin contributed a duet accompanied by their mother. Mrs. Ralph Jeffs and Mrs. Archie Bailey gathered the offering.

The convenor introduced Bruce Gillies, vice principal of Hillcrest School, Campbellford. He gave a very informative message on the subject of drugs. He dealt with Marijuana, solven sniffing, L.S.D., alcohol, etc., and distributed several bulletins on the subject which were authentic statements. A short discussion period followed his speech.

The speaker was thanked by the co-convenor and she then presented him with a gift.

Mrs. Frank Bailey and Mrs. George Grills provided the refreshments for the social hour.

**Holstein wins gold ribbon**

Supreme Iva Anchor, a purchased Holstein cow owned by John and Don Burnside, Madoc, recently was awarded a Gold Ribbon production certificate by the Holstein-Friesian Association of Canada. In 13 lactations on twice-a-day milking, Iva produced 2,470.00 lbs. milk containing 8,954 lbs. fat, average test 3.58% butterfat.

In her latest lactation as an eighteen-year-old, in 305 days on twice-a-day milking on Plan B, she produced 16,216 lbs. milk containing 614 lbs. fat, average test 3.79% butterfat. This record has a Breed Class Average of 157% for milk and 162% for fat. Iva is classified "Very Good" for body conformation.

## Laurel Rebekah Lodge holds installation

The meeting of Laurel Rebekah Lodge No. 211 was held in the I.O.O.F. Temple, Stirling, with the Noble Grand, Sister Eileen Woodcock presiding. Many visitors from Madoc, Thomsburg and Belleville were welcomed by the Noble Grand along with a large attendance of members.

Sis. Patricia Merrill, P.N.G., introduced Sis. Olive Whitehead, District Deputy President of the District No. 4. Sis. Luella Tompkins presented the D.D.P. with a corsage of 'mums. She was then escorted through a Guard of Honor to her chair where she received the Red Roses that the Guard of Honor had carried. At this time, Sis. Olive presented Sis. Gladys Elliott, P.N.G., with a corsage and her good wishes. Sis. Kathleen McMullen reported that flowers, gifts and cards had been sent to the sick members, also anniversary cards during her term as sick convenor. She received a vote of thanks for her untiring effort to spread Rebekah Good Cheer.

Brother Charles Carter gave a good report on the work of the C.P. & T. committee. Sis. Patricia Merrill, P.N.G., reported that the History of the Lodge was almost complete and would be ready for the 50th birthday party being held in November. Sister Lois Gibson was received into Laurel Lodge and given a hearty welcome as a new member. Sisters Adeline Bush and Martha Wells presented Sis. Olive Whitehead, D.D.P., with a gift from the Lodge. Sis. Olive responded most graciously.

The lodge closed in the usual form and re-opened again to receive a large number of visitors to enjoy the Open Installation. The new officers are: N.G. Kathleen McMullen; V.G. Madeline Walker; Rec. Sec. Violet Rose; Fin. Sec. Dorothy McCaughan; Treas. Gladys Sine; Chaplain Marjory Stapey; Warden Betty Johnson;

Conductor Mae Clarke, Color Bearer Lois Gibson; Musicians Nellie McIntosh, Ins. G. Bessie Bailey; Out. G. Alice Hoard; R.S.N.G. Nora Wannamaker; L.S.N.G. Marion Carter; R.S.V.G. Marion Carter; L.S.V.G. Mary Hulin, Jr. P.N.G. Eileen Woodcock. The Installing Officers were: Dist. Deputy President Olive Whitehead; Deputy Marshal Neva Vandervoort; V.G. Marion Heath; Rec. Sec. Mary Hulin; Fin. Sec. Ethel Duffin; Treas. Edith Bradshaw; Ins. G. Mabel Barlow; Out. G. Marion Carter; Chaplain Edna Fox; Musicians Mildred Morrow; Soloist Anne McInroy; The Guard of Honour: Lillian Johnson, Hilda Rose, Nora Wannamaker, Isabel Good, Gladys Sine, Verna Woodbeck, Sis. Anne McInroy sang a

welcome song while the elected officers were escorted into the lodge hall.

After the Noble Grand, Kathleen McMullen was invested with her collar. She was presented with a corsage by Sis. Linda Trotter on behalf of her husband. A gift from her family was presented by Sis. Bessie Bailey and Sis. Florence McMullen presented roses from her grandchildren. She also received a gift from Muriel Sharpe. The solo at this time was "My Task". After the officers were installed the solo was "Let There Be Peace". The District Deputy, Sis. Olive Whitehead, at this time thanked the lodge for her gift of an evening bag and the roses, gave a short address in which she dwelt on the subject of "Friendship", which is her

Motto for her term as District Deputy.

The N.G., Kathleen McMullen, thanked the lodge for the honor conferred on her and said that she would do all in her power for the good of the lodge. She then appointed her committees and convenors for the new term. Sis. Anne McInroy sang "Lead Me, O Lord" to close the installation ceremonies. The Miteph Benediction was repeated by all.

The guests adjourned to the banquet hall where the convenors, Sisters Nina Neel, Delia Carlisle and Mabel Hall and their committee had prepared delicious refreshments. A vote of thanks was given by the Jr. P.N.G. Sis. Eileen Woodcock and was responded to by Sister Delia Carlisle.

## "HAVE YOU HEARD THE NEWS?"

Our self-service laundry is the talk of the town!

UNDER NEW MANAGEMENT

OF ROBERT L. HULIN

Smart housewives are singing the praises of self-service laundering. Imagine! If you've been doing wash by hand, our automatic machines can save you hours of back-breaking work and get clothes and household linens cleaner than you ever could at home. And it costs just coins... far less than you'd pay to "send it out." Try us soon, and banish wash-day blues for good.
